Preacher: David Antwi

[0 : 00] Thank you for tuning into this message by David Entry. Every true revival is a product of the strong preaching of God's word. May you receive a word from this message that will spark a revival in you.

! Say anointing! Anointing! Do you know who gets anointing? Those who want anointing. One, two, one, two, one! This evening, there is a lot here for everybody to get a portion.

Pastor, people are here to grab breakthrough. There is enough oil to take care of those oils.

But others too, they actually want the oil, the anointing. There is such a release of anointing in this building.

What do I mean by anointing? The Holy Spirit coming upon people and you send them for trouble. When we say a year of great awakening, we said here am I. Send me.

[1 : 18] We can't send you without anointing you. Everybody here, you are a prime candidate of a certain type of anointing one way or the other.

But not everybody will attract the anointing because you are actually not hungry for the anointing. What pulls anointing towards you is hunger for the oil.

Hunger for the oil. You should put it somewhere in your status. Hungry for oil. Hungry for oil from above. When that oil touches you, your life cannot be the same again.

It's not so much about what you get, but what God gets to do through you. That is what I saw God doing tonight.

Tonight, He's going to be appointing some people. He's going to be calling some people. I see the hand of God coming upon your life.

[2 : 32] In today's reading, Psalm 40 verse 7, the 7 was too good and the 8 took it to another level. Isn't it?

Psalm 40 verse 7 says that, Then said I, Lord, I come in the volume of the book is written of me. It's the same as here am I. Yes. Lord, I'm available. I'm available. I'm available. The best blessings you can ever get in your life is when God uses you maximally.

It's not the fact that He's using you, but it also attracts favor towards you. Attracts. A great man of God, a few years ago, he said, somebody told him, We are giving you a private jet to do the work of God.

Then somebody gave him a private jet. I mean, how many of you do private jets? That's your thing. Some of you even a bicycle. No, I won't give you. A shoe. No, I will give you.

[3 : 39] But once you start getting used by God, Once God starts using you, the results that are going to manifest in your life.

When God uses you, it also brings favor for supply towards you. Favor for supply. Somebody says, Here am I. Here are God.

Send me. Send me. A year of great awakening. Here are God. Send me. The reason why I'm standing here and doing what I'm doing is not because I attended Bible school.

I have a lot of Bible school classmates who have dried up. They have dried up. In fact, some have even backslided. So Bible school doesn't make you a preacher. Even though it helps you to have some biblical common sense, depending on which Bible school you attend anyway.

Many people who are reading theology in universities are being killed. It's like you are in secondary school and you are studying, is it, Aries?

[4 : 47] Religious study. The other time, my little daughter was telling me in their class they were debating. If God is sovereign, how can we have free will?

In that class. So in the Aries, they were rather turning their hearts against the things of God. That why didn't God do anything? He should have gotten rid of the devil before even Adam's sin.
