Preacher: David Antwi

- [0 : 0 0] Hallelujah. We thank God you've tuned into this message by David Entry at Caris Church. No hand can help you with the fulfillment of your destiny, but the Word of God. May God's hand align you further into your destiny through this Word.
- Amen. Endowment. Endowment. The greatest expression of your blessing is in your seat. Wow. The greatest expression of your blessing is in your seat. The greatest expression of your blessing is in your seat.
- When you pay a certain price to work with God, sacrifice things for heaven, much of what God does for you on earth, you are not taking it to heaven.
- Houses, cars, fame, you don't need fame in heaven. Tell me what most of us, our biggest prayer request, the things you are asking for, you will need in heaven.
- [1 : 2 0] The advantage of this revival is to help you to pray for something that will give you an advantage in heaven. And that cannot happen outside of the Spirit of God. So, for instance, if the way I've dedicated myself, committed myself to serving God, it comes with blessings.
- Oh, no, no, no. You can't serve God and not be blessed on earth. No. No, no, no. You can't serve God and remain stagnant in life, because God is not a monument.
- God is a movement. It says that, John chapter 3, verse 10 and 11, so is everyone who is born by the Spirit.
- The wind blows where it lists, that King James used the word listed. I like the King James. I know you don't understand what listed means, but you can imagine what it means.
- Go from that text. The wind blows where it's listed. So where it likes. Give us New King James listed. Yes, maybe New King James. Where it wishes.
- [2 : 3 1] Verse 8. And you hear the sound of it, but cannot tell where it comes from and where it goes. So is everyone born of the Spirit of God.
- Yeah. They can't predict where you are coming from, where you are going. From all of the Spirit. So is everyone born of the Spirit of God.
- So my dedication and commitment and yieldedness to the things of God, you can't be committed to God and remain.
- Because, you see, the wind blows. So it's a movement. Everyone is moving. You are moving. Tell someone, the way I'm serving God, I'm on my way somewhere good. You're on your way.
- You're on your way. You are not in your seat. You are on your way. Hallelujah. You are on your way somewhere. Even though you are seated like a plane.
- [3 : 3 3] Do you walk in a plane? You sit down. But after a couple of hours where you are, people cannot come. Hallelujah. So, the way I walk, I've dedicated myself to the things of God from my youth.
- Those of you who didn't start from your youth, you have to run faster than me. See, some people don't realize that life is just fair.

Garbage in, garbage out. Potato in, potato out. So, my commitment to God procures me blessings.

Brothers and sisters, I say this with humility. I am blessed. I'm blessed. I'm blessed.

I'm blessed because I've been on this journey for a long time. Those of you who are young, all of you are young anyway. But those who are under 25, please, I'm begging you.

[4 : 45] You won't regret it if you do this God thing genuinely. Just keep at it. Never have I seen the righteous forsaken. Nor his seed beg for bread.

It doesn't happen. If you are over 25, you are 30, you are 40, you are 50. Please keep at it. It is only heaven that can help restore what the canker worm has eaten.

Because some of us, you are in your 40s and it looks like it's too late. It's never too late. Not when God gets involved.

But when you are younger and you start early, you are guaranteed placement in life. You are guaranteed. It's a sure guarantee. You have the guarantee.

But when you are old and you start, it calls for extreme concentration and pushing on a regular, consistent basis.

[5 : 50] Sometimes it looks like, it may even feel like you are making a mistake. You are pushing too much. That's what it takes. Because you don't have time. And you don't have much grounds. Do you understand that?

But God rewards commitment so badly that you can't be committed and sacrificing for his work. Save him genuinely and he won't react to you.

You can't be committed to the work of God or connected to grace vessels and God will not react. Have you seen somebody working in a boat and he said, I don't want to be wet?

You are working in a boat or in a canoe, you will definitely be wet. It is part of the territory. If you walk with God, the blessings of God will show.

You will have to explain. People will see that you are blessed. I can say what I'm saying because of what I am seeing. You will be blessed.

[7 : 00] Now please sit down. Now, the word you serve God depending on how early you start. Don't forget this. Those younger people, please don't forget this.

Not everybody will, Bible said, he that endures to the end. Matthew chapter 10 verse 23. Not everybody will endure. Hallelujah. So, God will settle you.

Some of you, amen, was very weak. It doesn't matter how long it has taken. Oh, yes, Bible said, though it tarries, wait, it shall come to pass.

Yes, yes. Habakkuk chapter 2. He said, write that vision, make it plain and write it. Because it will come to pass. Though it tarries, wait for it, it will not tarry.

The second tarry is God's tarry. The first tarry is man's tarry. So, though in the eyes of man, it looks like it has tarried.

[7 : 59] He said it will not lie. It will not come to pass. It will not tarry. So, the second it will not tarry is God's system. The first one, though it has tarried, man sees that it has tarried.

But God knows that there's a time coming. You watch this. Some of you give yourself five years, ten years.

Those same family members, they will see your progress and they will shut up. Amen. Oh, yes. Yes. Some of them will see the realms you are walking in.

They will oppose you. Opposing your service to God. Your pursuit of God. You are not doing anything wrong. You know you found destiny. And yet, they will always find a way of bad-mouthing you and comparing you to gangsters.

Uncles who are gangsters. Cousins who are gangsters. Thieves. Gang members. Who don't have anything to show for. They are driving cars from Storley Waters.

[9 : 04] And their family knows. But now that you are taking a righteous turn, they are using them to insult you. Don't be in a hurry to defend yourself, to explain yourself.

Your results will speak. Amen. It's a hurry. It's like somebody, when you were in school, now that you are a consultant, and they see how much money you are making.

They see how big you have come. They come to your house. Now, you are now 45. They are also 47. And they haven't got a degree yet. But now they see what being a consultant can do.

Now they are now going to enroll in the medical school. They might become a consultant. But you are talking about 80 years before they will. By the time they get the kind of house, they are 80 years. And they may not even get your car.

Because the energy and the strength it will take to procure that kind of level you have got into at the age of 45, they cannot. Because by the time they finish, they are around 50, 55.

[10 : 03] And they don't have the energy. And people will not even employ them. And now, by the time they have done the job for seven years, they are having eye problems. And they are doing surgery.

And people... They are supposed to catch your ear or something. And they put their... But are you getting what I'm saying?

I always take advantage to talk to somebody. Is someone getting what I'm saying? Yeah. So there's a blessing in it. But the truth is... When you continue the way you are continuing, working with God and doing what is right, you know, doing things that you need to do.

Because I saw something today's reading. There's a place where I spoke about we should do what we are supposed to do. Around the late 30s, I was... It got my attention. Do something like...

If you don't take it, you will notice it. But we are supposed to... When we have done all things right, all things the way should be done. You see, when you have... So you are serving God, but you have not left job.

[11 : 12] You are working. You work hard. There's a balance. You get married. You work... And you work hard. Some Christians work, but they don't work hard. A certain man came to me.

He said, I want to start ministry. When I look at him, I said, this guy will fail very badly. Because they think ministry is an easier option. Ministry doesn't work in the hands of lazy people.

Because it's more harsh. Ministry is more harsh. Labor intensive. Intelligence intensive. And spiritually. It's so hard.

You have to be very spiritual. The more spiritual you are, the easier ministry is. The more spiritual you are, the easier ministry is. One of the things you should know about your pastor.

Because I'm very genuine and authentic. I don't struggle to say the truth I believe in my heart. Because I'm not fake. I'm not fake. And when it comes to God's work, don't cross it.

[12 : 13] With fake. Or with flesh. Or carnality. No, no, no. I don't do that. I don't mix God's work. My wife will tell you. I don't mix God's work with my interest.

I don't do that. I don't do that. Anyway, so when you serve God. Over a period of time.

When you serve God, He blesses you. But greater part of the blessing on your life. Please sit down. Greater part of the blessing on your life. Listen to this very carefully. It doesn't matter what time you start.

Some of you started after you've had all your children. But it might not be a long period. But once you do it intensely, consistently.

Oh boy. The blessing that will come upon you. Your longevity and your health. Will not be able to accommodate it.

[13 : 14] Because all of it. All of it. That's correct. Because of human life. We grow old. So when you turn 60.

There's a lot of things you can't eat. Yeah. Things that have egg. You can't eat. Things that have milk. Dairy. You can't eat.

Some people. Yeah, some people. Some people today eat everything. Yeah. So what I'm trying to say is that. Much of your blessing.

Blessings. When it comes on a person. It takes a certain time. To fully manifest. So when you walk with God. Some of you. The way you are consistent. Coming for prayer.

Coming for prayer. You are building equity for your children who are here to be born. That's what I'm talking about. And the younger you are. You see more of the glory.

[14 : 11] So by the time you are old. And God is calling you old. You have established so much. Your children will find it easy. I see grace of the flavor of endowment. Most of you here.

If you have a child here. Relax. You will know sorrow. Amen. Because there's.

Sir, we are praying for revival. And the revival is going to find the benefits of the revival. It's going to arrest these ones. Who have been bringing. Who have been coming.

Parents are paying the price. Bringing them constantly. That's what I'm talking about. So besides. Your personal investment. As a parent. Bringing your children to this environment.

They are catching and breathing something you are not aware of. Because this atmosphere. We are praying. Oh Lord. Send revival. Send revival. Send revival. God might be looking for a Virgin Mary.

[15 : 08] So it might not be you. You don't get what I'm talking about. It might not be you. It will be too late. You are a good person. You are a genuine person.

You are a glorious person. But the assignment coming. It requires a Virgin Mary. So David said. God. I love you so much. I want to be the one to build for you.

God said. No. You can't do it. Because that temple. That must be built. It must be built by a Messiah. It's not a normal human being. And God put it this way to David.

He said. Your hands are bloody. Sit down please. He said. You fought too many. I like what you have asked. Because no one has ever asked me. And God said. This is my biggest desire. But no human being has ever asked me.

But what you have asked. He said. You fought too many wars. Your hands are bloody. I want to do it for you. So because of that. A son from your loins. That's why Jesus is called.

[16 : 06] The son of David. Because of that request. That request. Cannot. The actual house of God. Which has to be built. Cannot be built. By a normal man.

He must be a God man. But if it's going to be man. Then the man's side. Must be coming from somebody. So God said. I'm going to root it to you.

Because you have desired this. You have sent me to this capacity. You are not qualified for it to happen. But your son. It will happen. So he said. In 2 Samuel chapter 7.

Verse 11. 12. He said that. After you have died. And gone to be with your fathers. I will raise up your loins. He says that. And when your days are fulfilled.

And give me new King James. Please. Please. Thank you. When your days are fulfilled. And you've rested with your fathers. Give me NIV. People who know what the rest means. When your days are over.

[17 : 04] And you have rested. NLT. When you die. You see. That's what it means. You've rested with your father. When you die. And are buried with your ancestors.

I will raise up one of your descendants. Your own offering. And I'll make him. I'll make his kingdom strong. Why? Because you have asked for this thing. It cannot be for you.

You've asked a hard thing. And then when you read. Further verse 14. God said. He shall be a son to me. But God. You're talking about my offspring. How can my offspring be a son to you?

He said. I'm going to. Verse 14. I said. Please. He says that. I will be his father. And he shall be my son. But didn't you say that. I'll raise one of your offspring. So it's my son.

Not your son. God said. Yeah. It's your son. But yes. It's my son too. I'm going to share a son with you. That is the only one who can raise the temple for me. Why? David couldn't have it.

[18 : 02] But his service for God procured it. So. Now. What is happening here? We are praying for revival. But there are certain things. For instance. Okay.

Listen to this. Maybe God is about to give the most strongest Christian prime minister. Because of the revival. You see. But you.

Your original name. Your parents change their best certificate and change your own. You know. You see what I'm saying. It's not that you are bad.

But for certain reasons. There has been compromises somewhere. Or. Or. At your age.

You are now. 21. Okay. But. There have been too many messes. The other time you were fighting people. Oh Lord. Because you grew up in Cumberland.

[18 : 55] Fighting. One day police came. And they were looking. All kinds of things. So it has compromised. The records required. For that kind of level. Meanwhile.

You are a very genuine person. And your work with God. Has brought the thing close to you. But maybe not you. God. You see. There's a way. You might not be a prime minister. But you can enjoy more than a prime minister.

Because of your son who is there. Your daughter who is there. Is everyone getting what I'm saying? Yeah. So that is what's about to happen. And these children who are represented here.

I saw. Endowments. When I talk about endowments. Do you know what I mean by endowments? Some ability. Suddenly you are able to do things. Certain things that will make you outstanding.

And astounding. Certain things that will make you outshine your background. Certain things that will make you unique. So it's not only the anointing to preach.

[19 : 53] It's not only the anointing to cast out devils. But endowment from above. Like the Jews. When you get into business with the Jews. You are likely to be at a disadvantage.

Because they have this Abrahamic endowment upon them. Whatever they try to do. They will outshine you. Are you getting what I'm saying? It's an endowment. So it's not only for preaching.

What I am doing here. It takes an endowment. It takes an endowment. You can call it an anointing. It's an endowment. A divine ability.

A certain unique ability. That makes you. Almost everywhere I go. When anyone gets close to me. After me preaching. Any pastor, bishop, whatever.

They always ask this question. How do you do it? How do you remember the scriptures? How? They keep saying. It looks like it's like a picture.

[20 : 51] I'm telling you. It's an endowment. It's an endowment. It is not common. It's not common. Some people are catching it because of their sonship connection.

Yes. Because of their sonship connection. You will begin to see. The father or the teacher whose ministry you sit under for a long time. You begin to display their ministry mannerisms.

Sometimes. Yes. Yes. Yes. Yes. So sometimes when you follow them genuinely with your heart. You end up catching the endowment. And you can take it to another level. Yes. That's endowment.

Please be seated. I took my time to speak about how the blessing of God. Working with God procures the blessing. That always goes outlasts you.

Wow. And its greatest expression is always beyond you. The greatest blessing on any life procured.

[21 : 51] It's always beyond the life that procured it. Do you understand that? Wow. Never forget this. Never could forget this.

It's always. So how about, okay, somebody who doesn't have a child. If a person doesn't have a child, the person will have a nephew, a niece, a relation somewhere.

Or someone will work with them very closely. It will always show up. Like Mark. Peter didn't write the gospel. But Mark who worked closely with Peter ended up writing Peter's gospel.

So the blessing is not a blessing if a life, one life contains it. True blessing is trans a life.

It goes above. It said, God told Abraham Genesis chapter 12 verse 1. I'll make you, I'll bless you and make you a blessing. God, true blessing always goes.

[22 : 57] And he says that in you shall all the earth, the nations of heaven, shall be blessed. Because that blessing that is coming on you. Remember, he said, try me with this.

Malachi chapter 3 verse 11. Try me with this. Oh, is it verse 10? Verse 11 says, try me. So it's still there verse 10. No, it's still there verse 10.

Try me now with this, says the Lord. If I will not open for you the windows of heaven and pour for you such, I prefer King James this time.

Such blessings. King James says that pour you out a blessing. One blessing, you can't have enough room. One blessing.

No one, no human being's life can accommodate the blessing they procure. Do you understand that? No.

[23 : 59] That's why I said, for you and your generation. For God always blesses a father or a mother and their son's benefit. You watch, most people who are doing great things for God.

Or when you look at a family and there are quite a few, three pastors in the family. Or two. Or they are all married to pastors.

Or the ladies, they are not, maybe if they are not a pastor, they are married to pastors. Or the choir is like scattered. They are strong Christians. Or sometimes a great man of God, you check, the mother used to or the father used to be very committed to church.

Very deep in church. Deep in church. Deep in church. So God can choose anybody. But what I'm trying to say is that if you walk with God faithfully, the key word is faithfully.

Say faithfully. See what will come out of your son. You see? You see? If God has really called me and that message is true, you watch.

[25 : 06] See what will come out of your daughters. See what will come out of your daughters.

Revival, times like this. Don't underestimate the place of laying on a face. Oh, yes. The Spirit of the Lord is moving in this place.
