Preacher: David Antwi

[0:00] Hallelujah! We thank God you've tuned into this message by David Entry at Caris Church. No hand can help you with the fulfillment of your destiny but the Word of God.

May God's hand align you further into your destiny through this word. You know, Satan doesn't want you to have victory. He doesn't want you to have victory. But 1 Corinthians 15, verse 57 says that, Thanks be to God. 1 Corinthians 15, verse 57 says, But thanks be to God. What does he do? What does he do? So the victory comes from God. We don't go for it. God gives it to us. You know, sometimes the enemy will always want to resist your testimony.

The enemy will always want to resist your testimony. He has got something in stock. When God has a plan for you, the enemy also has a program for you.

So the enemy's plan and job is to block and resist what God has in stock for you. So when we gather together in prophetic moments like this, it's for somebody, this is what it means.

[1:22] It's like God is giving people coupons. The coupon is your opportunity to be here. You know, they can give you a coupon but you never get to use it.

How many of you have had coupons you didn't use? School vouchers. That's one. Yeah, Tesco vouchers. I used to have a lot of...

And there's an expiry date on it. There's an expiry date on it. Yeah. Yeah. Yeah. The fact that you are here means God has given you a coupon.

So you use it for your victory. 1 Kings chapter 18. And then verse 41.

And Elijah said unto Ahab, Get thee up and drink and eat and drink for there is... It's only a prophet who can say there is a sound of abundance in the time of famine.

[2:33] Abundance of rain. I hear the sound of abundance of rain. I hear the sound of abundance of rain.

I hear the sound of abundance of rain. I hear the sound of abundance of rain.

abundance of rain. I hear the sound of abundance of rain. I hear the sound of abundance of rain.

If you believe this out, yes Lord. He said, I hear the sound. I hear the sound of abundance, the prophets. I hear it. I hear it.

Prophets have the ability to step into eternity, to hear the plan of God and what is ahead and speak it. Say speak it.

[3:39] Speak it. If he hasn't spoken it, it will have happened. That's what yesterday I was teaching at KP2, the prophetic atmosphere.

Sometimes, if it has not been spoken, the prophetic is such that God wants to do something.

But first, it has to be spoken into existence. Then somebody takes the spoken word as a coupon.

As a... Somebody takes the spoken word as divine authorization.

As an access code. Why? Because victory has a voice. Even when it doesn't look plausible.

Even when it doesn't look possible. Victory has a voice. Victory has a voice. Victory has a voice.

Before it shows up, victory can be speaking.

Victory can be speaking. And when victory speaks, victory will show up. Shout yes! Victory. He said, I hear the sound of abandon.

[4:59] So Ahab went up to eat and to drink. And Elijah went up to the top of Camel. And he cast himself down upon the earth. And put his face between his knees.

And said to his servant, go up now. Look towards the sea. And he went up and looked. And said, there is nothing. And he said, go again seven times.

And it came to pass. At the seventh time. That he said, behold. There is a rise. There arised a little cloud out of the sea.

Like a man's hand. And he said, go. He said, go up. Say unto Ahab. Prepare thy chariots.

And get thee down. That the rain storm thee not. The prophet said. The prophet said.

[6:01] Go. The rain hasn't started. But he. Jesus said. I think Matthew 16. Somewhere 1, 2, 3 or something.

I think so. He said, you hypocrites. You are able to read. The signs. Yeah. Say he, you can discern. The face of the sky.

But you are not able to discern. The signs of the times. That is what a prophetic atmosphere does. So before testimonies. Your miracles show up.

That thing has entered your heart already. So a prophetic atmosphere. A prophetic atmosphere. Affords you. And affords you access.

Into the programming of God. Based on a prophetic declaration. And you know that. No. That is true. This is my destiny. And then you accept it.

[6:58] And begin to speak it. And begin to pray it. And begin to enforce it. Sharia. Sharia. So in 1 Timothy 1. Verse 18. It says that.

This church. Give eyes. Timothy. That. According to the prophecies. That are gone on. Ahead of you. That by them.

There have been prophetic words. Which you are supposed to use. To wage warfare. Yeah. That you. By them. You should use them to wage warfare. He said.

I. I see. Cloud. It's small. When you come into a prophetic atmosphere like this. You don't have to feel everything. Sometime. There's a spark.

As you pray. You just feel. It's enough. I see a cloud. As small as a man's face. Then.

[7:55] Then the prophet said. Go and tell Ahab. The rain is about to stop you. So start moving now. What am I talking about? When we gather to fast and pray.

And enter prophetic atmosphere. What we are doing. Is not just for this moment. Somebody is winning June's battle already.

Somebody. Is winning October's battle already. Somebody's winning December's battle already.

In the name of Jesus. The victory was secured. In the January 1st. This fast.

Is securing. This prayer meeting. Fast. Is securing. You. Major testimonies. Major testimonies. Major testimonies. In the name of Jesus.

[9:00] Let's look at this. Scripture. And then we'll pray. Just have to flip. It's one chapter. Two chapters. And then. There's a king of Syria called.

Or Samaria called. Ben. Ben. Ben. Ben. Ben. Ben. Bad man. Can you imagine? He sent.

Messengers to the king of Israel.

And he said to the king of Israel. Listen. All your gold. All your silver. All your. Everything that you have. They are going to be mine.

I'm taking them. He said. I'm taking them. He said. They are all mine. I'm taking them. I'm taking them. And.

And then. He said. Do you know what the king of Israel said? Ahab said. No problem. He doesn't want problem. But you know. Satan is never satisfied.

[9:57] With whatever you give him. He's coming for more. So. When the king of Israel. Answered. He said. My lord.

O king. Just as you say. I and all that I have. Are yours. Look at his wife. Then the messengers came again.

And said. That said Ben-Hadad. Saying. Although I have sent unto thee. Saying. Thou shalt deliver. To me. Thy silver.

Thy gold. And thy wives. And thy children. Yet. I will send. My servants. On to thee. Tomorrow.

About this time. And they shall. Search. Thine house.

They shall. Search. They will search. Thine house. And the houses. Of thy servants. And it shall be. That whatever. Is pleasant. In thine eyes. They shall.

[10:52] Put it. In their hands. And take it away. You are taking now. All my children. Everything that gives me.

My wife. Ah. But unfortunately. The king was not decisive in life. That's. That's one. A leader must sometimes. Be decisive. And know what you want.

A leader must know. What you want. And what to do. So he was confused. He took his elders. So he called his elders. And told them. Look. Look at what this guy is doing. The elder said.

No. Don't give it to him. Do not listen or consent. Don't listen to him. And consent. Don't. Don't. So. He also now got. The power.

And then. He called. And then he told. The king. He sent. He called the messengers. He said. Go and tell the king. Verse 9. Wherefore he said unto the messengers of Benadad.

[11:48] Tell my lord the king. All that thou descend for. To thy servants. To thy servants. At the first. I will do. But this thing.

I may not do. And the messengers departed. Went and said. Sometimes you have to. Victory. Give your victory a voice. Workers.

He drew a line. He said, this I won't do. Enough is enough. Your marriage must happen this year. Your educational achievement, glorious, this year, this year.

Somebody is already buying his house. It must happen for you. It must happen for you.

It must happen for you. I hear the sound of abundance. I hear the sound of abundance. I hear the sound of abundance. I hear the sound of abundance.

[13:00] In your house, in your territory, in your behalf. I hear the sound of abundance. Somebody scream yes.

Then later on, he didn't know. But when the Bernadette pushed too far, he had to put his feet down. You can't take somebody if you don't pray.

The devil wants to take your child out. Oh yes. Your mother has been waiting for grandchildren.

Let's take this serious. The devil wants to take your health.

That pain that keeps coming, it must stop. It started last year. And then when you press it's still. It doesn't seem to be going.

It's lingering. This is the time. You are going to take your coupon. You are going to use your coupon to stop the enemy in his tracks.

[14:09] Is somebody getting what I'm talking about? Yes. And Bernadette said no. And then the messenger told the king. The king was angry.

He told his servants, get ready. We are going. We will do to this guy what no God has experienced. And then the word of the Lord in the verse 13. And behold, there came a prophet unto Ahab, king of Israel, saying, that saith the Lord, hast thou, hast thou seen all this great multitude?

Behold, I will delete. There is a God factor. There is a God factor to your victory.

I don't know if somebody's spirit is catching what I'm professing. The only reason why we have gathered here is because there is a God factor to the coming victory.

That's why we are here. That's why we are here. There is a God factor to the coming victory and we have come here to enforce it. Now you are getting all I'm saying.

[15:18] We have come here to declare it. We have come here to speak it. We have come here to enforce it. Now, some of us, you are seeing negative traits.

The enemy is trying to mess something up in your family. You can see some negative traits concerning your marriage, concerning your health, concerning your mother, concerning your father, your sister, concerning your even marriage.

You can see it's like the devil is trying to threaten you with divorce. You can see things are not, you can see some negative traits about your son, about your daughter. Satan is not stopping you.

The traits are not what the real plan is. It's the thief does not come but to steal, kill, and destroy.

Somebody must rise with their voice.

Watch this. You are rising with the voice of victory. That's what I'm talking about. And you are going to give your victory that God gave you.

[16:18] You are going to give it a voice. How? You have to speak back to Ben Haddad. You are going to, you are about to pray. If you can, thank you for whatever you want, you are going to say, no, my marriage is not going down.

No, the devil is a liar. I will marry this time. This year, I'll marry this time. I secure my marriage. I secure my business. I secure my job. I secure my promotion. I secure my breakthrough. I secure my ministry. Somebody, lift up your voice. Secure the victory. Give your victory voice. Give your voice the victory over your children's lives. Receive the victory. You will see the victory. You will see the victory. This January, you will see the victory. February, March, you will see the victory. April, May, you will see the victory. June, July, August, you will see the victory. September, October, you will see the victory. November, December, you will see the victory. You will see the victory. [17:21] You will receive the victory. In the name of Jesus, shout a living, believe in it, loud as amen. Amen. Thank you for listening to this message by David Entry.
