Preacher: David Antwi

- [0 : 0 0] Welcome. Thank you for choosing to listen to another word-filled message by David Entry. Preaching is the means by which God manifests His Word and nourishes our spirits.
- May the life of God enter into you anew as you listen to this message. Be blessed. Say divine timing. Divine timing. In Ecclesiastes chapter 3 verse 3, it says that to everything there is a season.
- It's the best one. To everything there is a season and a time for every purpose under the earth. Say time. There's time for everything. There is time for your rising.
- There is time for everything. Now, one thing I realized, the Bible says in Galatians chapter 4 verse 4, that at the fullness of time, God sends His Son.
- But when the fullness of time had come, God sent forth His Son, born of the woman, born under the law. Okay? So, God even operated in time.
- [1 : 1 2] Everything comes with timing. And it's very important to understand and appreciate because there are some things we have sown in this ground, on this mountain.
- And it's just a matter of time. There's no way your breakthrough and your miracle will elude you if you continue going the way you are going. It's a matter of time.
- It's a matter of time. And all you got to do is to walk with God and in His time, go to verse 11 and see. Verse 11 of Ecclesiastes chapter 3. He says that He makes all things beautiful.
- He has made everything beautiful in His time. God makes it beautiful in His time. Say time. Time. Say time.
- Time. Turn to somebody and tell that person, my time has come. My time has come. Some of us might have, you may receive a prophecy, you might have prayed about something and if you don't take care, you won't, everything.
- [2 : 1 4] Sometimes you may think everything is going to Him instantly. Instantly, instantly, instantly, instantly. But there is time for everything. Time. Don't be in a rush ahead of God.
- Time. Somebody say time. Time. Once He has spoken, it shall come to pass. Once He has spoken and you walk with Him. You walk with Him.
- You walk with Him. He told Abraham, I'm going to make this out of you. And it took years before Abraham saw it in his own lifetime.
- Say time. Daniel. Daniel chapter 10 verse 1. Now, let's look at that text. It's very interesting. Listen. And when your time comes, when your time, Bible says that, and when His time came, the King sent for Him.
- He said, but He was tried. But when His time came, in Psalm 105. When His time came, the King sent. See Daniel chapter 11 verse 1.
- [3 : 2 1] He said, in the third year of Cyrus, King of Persia, a message was revealed to who? To who? Whose name was Corbeth Shazer. Now, the message was true.
- But the appointed time was what? Long. And he understood the message. The time for the manifestation was very far. But he saw it ahead of time.

So, there is time for everything. It says that the appointed time was long. But God, Pastor, God told me I will have twins.

And now, I am approaching 60. I'm approaching 70. And I don't have one. How is that going to be?

You see, if God told you that He will sustain and keep you alive. Till the ayayaya. It comes to us. I've explained this before.

[4 : 22] God comes to you. God comes to you and speaks a word to you. Here, at one point. Now, and this, the word is saying that you will become, this is what, your destination.

Okay, so this is a billionaire. Okay, and this is, this is a struggling man. In fact, I don't want to talk about struggles. You see, sometimes forget because me, I'm so hungry for God and I keep going.

Some of you are sitting right down. You're sitting here. You are wondering, hey, so how is the future going? You don't have a problem. Because you have a God. And this God has told you that He's as well with you. And the good news is that He said, a little one of you shall become a thousand.

You can't believe that? Amen. Now, so God is saying he's going to make you a billionaire. And you are struggling now.

But you know what? When God is speaking to you, He doesn't speak to you where you are. He speaks to you from here. So He tells, He talks to you like you're already a billionaire. The Bible says, God calls things that be not as though they were.

[5 : 28] So Abraham didn't have a child, but God was speaking to him like, oh, father of many nations. Father of many nations. He says, no, no, if you don't walk with God by faith, your frustrations will dwarf you.

Your situations will cripple you. Now, the good news is that when God speaks to you, okay, you may go through between here. Like you heard last Wednesday, the pastor spoke about the process.

Okay. He will tell you about the destination. But I won't give you the details of the process. Yeah. So God tells you where He's taking you and you're heading towards it.

And all this place is full of turbulence. And you almost, like the song that says, I almost gave up. You know, so you'll be going through all kinds of, not because God wants you to go through, but most of the time, life is like that.

And it's victory God is giving you. And so in spite of what you go down, somebody watch this. So as he goes through these things, go down, try and go down, Bimo. Now, you'll feel that he's gone already. But do you know what?

[6 : 34] There's no way he can end here. Because the word that came to him, the word will be sustaining him. So it doesn't matter how bad, like Joseph was sold into slavery.

He was sold into slavery. He was betrayed into prison. And yet, the word that said he was going to become a prime minister for people to bow to him, the word was still keeping him. So the Bible says that until the time his word came, the word of the Lord tried him.

So the word will be sustaining you. It doesn't matter what you go down. The word. And so what you have to do is, once you are going through any time, lift up your hand and hold on to this. So this is the word.

Keep holding on to it. As long as you hold on to it. The word doesn't go through the problems. The word just keeps you through until you become what you have been ordained to be.

Clap for Jesus. There is a time. There's another point. There is a time. Some of you here, once upon a time wondered, so would I ever be married?

[7 : 36] If you are here, you are thinking, hey, will I ever be married? You just, you don't have to do, just lift up, I don't know where you are sitting, but lift up your eyes and just look here a little bit.

The devil will always make you look at the current conditions and make it look like nothing is going to happen. Nothing is going to happen. Nothing is going to happen. Nothing is going to happen.

You are going to be the same. You are not going to experience anything. That is it. The devil is a liar. As long as you hold to God's word, what word has come to you? The Bible says that the sons of Issachar understood the times.

2 Chronicles 12, verse 32. Understand the times. Now, there was a time in John chapter 2, verse 4. Mary came, Jesus said, Jesus, do a miracle.

They don't have wine. Wedding, the wine is finished. Jesus, do something. Mary said, Jesus, do a miracle. And then Jesus said, no, no, no. My time is not yet come. My hour has not come yet.

[8 : 43] Did you see that? My hour has not yet come. So, God works with the hour. Timing. Timing. Tell somebody, watch me well.

Because there's no heart I will always be. Now, now. God has showed me. Pastors, I think I mentioned here.

I think I mentioned in one of our pastors' meetings. That we should be very careful. How we're dealing with people here. Because people here are. They are seriously powerful people right here.

Seriously powerful people. I know it. Now, as for that one, no one can convince me out of it. I know it. Seriously powerful people. When I say powerful people, I'm talking about people who have great destinies.

Who, to see them, it will, even if you have the opportunity to see them, it will take about six months of appointments. Six months of appointments. Oh!

[9 : 41] The team is here. We have gone to put our hand into something. It's already in our destiny. But we've gone to activate it. We've tapped into those who already where we are going.

And I see the grace flowing seamlessly. Before the end of this year, you will see people rising. You will see people rising.

You will see people rising. People who make headline news. Right in this house. I don't know who I'm talking to. But if you are the one, lift up your license and shout a believer in Hallelujah.

It's here. Right here. But the sons of Issachar, they had understanding of the times. And they knew what Israel ought to do. They understood the times.

Say the times. The times. It's timing. Don't rush. But be prompt. Don't rush.

[10 : 44] Of the sons of Issachar, who, of 1 Chronicles. Of the sons of Issachar, who had understanding of the times to know what Israel ought to do.

They knew what Israel ought to do. We call the understanding of the times. It's your understanding of the times that helps you to know where to go. You know, listen.

A time comes where you have to cut some things off. And you have to start some things. It's a matter of time.
