Preacher: David Antwi

- [0 : 0 0] Hallelujah. We thank God you've tuned into this message by David Entry at Caris Church. No hand can help you with the fulfillment of your destiny, but the Word of God. May God's hand align you further into your destiny through this Word.
- As I just laid hands, I just, it's like I was shifted into a realm and I saw grace being dispensed. I don't care what you don't have.
- God told Paul, the grace is sufficient. The grace is enough. If you have grace, it's enough. You may not even have the grades, but if you have the grace, grace is more powerful than grades. Grace. Someone scream, grace.
- Pastor, there are some things that are family grace. Family grace. God can bring a family into a certain grace.
- [1 : 1 7] That certain unique or certain particular type of opportunities and favors become normal and common with the family. I see people are entering into all kinds of grace, but one of the things I see is family grace.
- Family grace. What Abraham got was a family grace. So the thing passed on to Isaac and passed on to Jacob and passed on to the 12 tribes and he's still speaking today.
- He said, I'll bless you and make you and your descendants and make your name great. He blessed him and his descendants. It is a grace that if you carry the name of Abraham, it begins to.
- In the same way, certain families can come into a certain grace that it doesn't matter where they find themselves. Whoever belongs to that family and bears their name.
- Even if they put you in the midst of the ocean, grace will pop up. Bacadab, shakadabba. Someone scream, grace! That's why one of your greatest desires and targets in life should be grace.
- [2 : 3 6] God, God from his own words, says that my grace is sufficient. If you have that, it doesn't matter what you don't have. The grace has a way of magnetizing or attracting, pulling to you every other thing that is needed.
- Grace will go and pull it and draw it to you. I saw it. I see someone catching a new dimension of grace. Say grace.
- Grace! We have the grace for that. He said grace to you. God gave us the grace to thrive in the wilderness. I preached a whole message about the wilderness.
- He gave us the grace to thrive in the wilderness. And yesterday, I saw something yesterday. I'm beginning to get concerned.
- If we can continue to pay a price, because the Spirit of God also showed me, there's no great move without a price. You can never see a great move without people paying.
- [3 : 4 8] That is why when people are honoring a pastor, are celebrating a pastor God has used, shut up and don't talk against it. Shut up. You can never see any move of God to a certain dimension without an extreme sacrifice behind it.

And some of the sacrifices are so risky, it is like it may happen or it may not happen. Every move. And what God showed me yesterday, said, I am not concerned, but the concern is whether there will be a venue that can accommodate all of us in London.

I'm talking about London-wide. Whether there will be a building that can accommodate when we can't, because the revival has not started. That's what I saw yesterday.

That's why I said that this thing God is leading me for us to continue praying either 40 days or 49 days. I'm not sure, but I know it's a hard thing, but God will give us grace. So at the end of the day, we will not say that we, we are fasting and it happens.

No. We will know that me, and that's why I told yesterday, me, I don't want to do the fasting. But if I'm able to do it, then that means that it's just me, I got something extra nice, something from outside my, I see somebody stepping into a new realm, a new dimension of grace.

[5 : 14] If you're the one, share grace. Grace. Grace. There is a grace that can come on people that will make, you know, listen, when you catch grace and you are doing things, it looks simple.

See, when grace is at work, it looks very simple. Because when you look at Pastor David, what is it? When you look at Pastor David, there's nothing that seems exceptional.

You can also go and study theology and study minority. In fact, you can prophesy it wilder. Listen, please.

Somebody give the Lord and sing! There is nothing I'm doing better than many pastors.

But there's grace I'm catching better. Oh, yes. Because what is sustaining this work is... Grace. I can't hear you. Grace.

[6 : 28] I can't hear you. Grace. And what is going to sustain your life and testimony is... Oh, the louder you shout it, the more quicker you catch it. I see somebody catching grace.

Somebody's catching grace. Somebody's catching grace. Shout grace. Every time you see any genuine man of God, God has lifted.

Listen to them. They never stop saying grace. Yeah. If you see what God is doing with us without church building in London, meeting and what God is...

Listen, we don't have a choice but to point people to what grace can be. So, as I stood here, as I stood here, I saw mightily...

What I... Once I stood here, I saw dispensing of grace. Have you realized every service is very unique?

[7 : 44] Every service has what God... Because the riches of God are unsatchable. Every service has what God gives to us.

I saw grace. I saw grace. I saw grace. I saw grace. I saw grace. As I stood here, I laid hands on that lady. And then nothing came on me. I started laying hands. Then I saw distribution of grace. Then I heard what I've naturally never heard.

That family graces. There are families that are about to step... Stepping into grace.

Stepping into grace. Stepping into new dimensions of grace. Stepping into new dimensions of grace. Stepping into new dimensions of grace. If you believe in shout, grace!

For the second time, shout, grace! And for the third time, you're loud and shakri! I just...

[8 : 51] I just got a confirmation in my spirit. Anyone who is conscious about what grace has done in their life...

The automatic, natural response is praise. Praise. And they find it easy to forgive others. And they work on themselves to stay humble.

The more you can counter grace, the more you want to take a lot of jewelry out of your dressing. A lot of things.

Not that it's bad. There's nothing wrong with it. It's not a sin. Yes, there's nothing. But you know, when the more you are becoming aware of... Overwhelmed by what grace is doing in your life...

The more you really lose interest in a lot of things people focus on. Yeah. Thank you, Jesus. Yeah. So, some of us...

[9 : 53] I trust God for grace to understand grace. So, we begin to check a lot of things quickly. Because the quicker you notice and abandon some things...

The more intense the grace of your life becomes. Paul says, Because of the abundance of the revelations that was given to me. First Corinthians...

Second Corinthians chapter 12. That was given to you verse 7. A ton in my flesh to buffet me. Lest I be exalted above measure. And because of this, I went to God in prayer three times. Take it.

God said, no, don't worry about what is troubling you. Grace will keep you going. No wonder in First Corinthians chapter 15 verse 10. He said, I am what I am by the grace of God. By the grace of God.

And Paul, no one spoke more about references to grace than Paul. He kept making reference. Because he was a blasphemer. He was an injurious person.

[10 : 49] Persecuting the church. By obtaining mercy. And then grace started operating in his life. Now, this is the confirmation I had. That the more you are aware of grace.

And keep giving credit to grace. The more God continues lifting you. It doesn't matter the number of enemies around you.

If you can continue to keep an eye on what grace has done. What grace has done. Listen, we can be classmates. But it doesn't mean we are grace mates.

The more you attribute the glory to grace. The more you attract stronger grace. Sir, it feels like we are coming to a different phase.

A different level. A different phase in our church. Where grace must be more pronounced. And more, we must be more conscious. When people are talking about charis.

[11 : 52] You listen. When they finish, let them know this charis thing is grace. That's the one way you can contribute to the greatness God is giving to us. Doesn't matter what people say about charis.

It's not evidentiary. For your information. My middle name is Grace. My parents gave me a lot of, as I know as Africans.

Quite a few middle names. Including Corby. Quite a few middle names. When I became aware of myself. And I grew up. And I was on fire for Jesus.

After evangelism and everything. One day I said, you know what? When I was going to do my passport. Then I have to choose 30. As for David, you can't drop it. Because it's a covenant name. But all the other names, they are still there.

But on my passport. I chose name by revelation. My middle name as Grace. So you see me here. Say, it's not the tongues.

[12 : 55] It's not the suits. It's not just the theology. I get back in. Oh yeah. I get back in.

I get back in. I get back in. I get back in. There's dispensation of grace. Dispensation of grace.

It says, And God is able to make all grace our power. Amen. Amen. In 1 Peter chapter 4, it says that, I think verse 10 or so.

The God of all grace. The God of all grace. And every man receives. And every man receives. He says, The manifold.

The stewards of the manifold grace of God. God has manifold means complicated, many-sided. It shows up in different ways.

[14 : 03] Grace comes on him. It shows up in the way. The same grace comes on. It's showing up in another way. The same grace comes on. It's manifold. Grace by us, many-sided.

The scripture I quoted earlier on in Hebrews chapter 4, verse 16. Let us come boldly before the throne of... The throne of...

The throne of... The throne of... So everybody in Christ has been given their covenant audacity to just come.

Come boldly. Not timidly. Come with a certain level of confidence, knowing that God will do it. Amen. God said, Let us come boldly to the throne of...

Come boldly unto the throne of grace. So we may obtain mercy. In other words, the things you have done that will disqualify you, mercy will take care of that. So whatever reason why Satan tells you you are not qualified, if you can come boldly in Christ, first, mercy will meet you.

[15 : 15] So just in case there are issues that require punishment on you, mercy will meet you and mercy will cover it. The Bible says that mercy triumphs over judgment.

Mercy is what God meets us with. Because if you don't obtain mercy, grace can never come to you.

It's the throne of grace. But because you are a human being with faults, we break God's law. We sin against God. We disobey God in different ways.

When you are coming to God, you are not good. You are still not good. So we have to come in Christ, through Christ. And as you are coming, the blood must cover you. It's called the mercy seat.

That's where the blood works. And so when you come before the throne, the first thing that meets you from God is grace. God, grace, sorry, mercy.

[16 : 11] Mercy comes to embrace you first before grace can speak for you. Paul, in 1 Timothy 1, verse 13 and 14, he was talking about how he was persecuting the church.

He was an injurious man. He blasphemed. The Bible says that, but he obtained what made. In spite of all that he was doing, Paul said, whatever I achieved in life was grace accomplishment.

I was engraced. Engraced. In fact, in the kingdom of God, it's not achievement. It's engracement. Paul said, whatever I attained, I was able to do it's by grace.

But you're a killer. How did you get the grace? Mercy. I obtained mercy first. When you obtain mercy, it gives you right standing before the grace. So he said, let us come boldly before the throne of grace to obtain mercy.

And find, what does grace do? Help. Find grace to, Bible talks about Isaiah, how he was marvelously helped by God.

[17 : 23] God will help somebody here. Please, don't forget to give the credit to grace. Grace is just, this is God.

When people say anything, you know you, in fact, you know you are very good with hairdressing. Very good. But since you started the fasting, you started praying, you are making business and it's surprising.

People said, oh, we've known you are always good. But let them know, no, this one is the grace. Even though you are aware that naturally you could have done some things, certain levels of results is grace.

And the more you are able to credit grace for the good things God does in your life, the more you create the room for him to do more. Because God, what he wants, that glory must come to him.

Now, grace is coming to help somebody. Church, I'm telling you, I saw it. I saw it. Every night we pray for a flow of the spirit.

[18 : 25] And that's what I prepared for, Ezekiel 37. But I saw dispensation of grace. I saw dispensation of grace.

I can't deny what I saw. Grace was being issued up. Listen, I don't know what you need. But in a moment, we are going to lift our hands and pray.

Don't let anything distract you. If you want to, nail down, nail down. But pray and call, cry out, God, have mercy and give me grace. Lord, I tap into your grace. I receive grace.

I receive grace. Come on, lift up your right hand. Lift up your hands. Begin to pray right now. Begin to pray for grace. I receive grace. I receive grace. Thank you for listening to this message by David Entry.
