Preacher: David Antwi

[0:00] Hallelujah. We thank God you've tuned into this message by David Entry at Karis Church. No hand can help you with the fulfillment of your destiny but the Word of God.

May God's hand align you further into your destiny through this word. 1 Chronicles 4 verse 10 says that Jabez was more honorable.

Verse 9. Now Jabez was more honorable than his brothers. His destiny was great.

But for some reason he was facing a destiny blockage. Because of conditions surrounding his birth. Conditions from his past. Some of which he didn't even have control over. He said Jabez was more honorable than his brothers. And his mother called his name Jabez saying because I bore you in pain.

[1:02] That means you'll be, when I remember you anybody, you'll be a person of pain. But this man's destiny is honorable. He had an honorable destiny but an identity of pain.

And thank God for the power of prayer. That's why we are here. There are things going on in your life that must cease. Yes.

Yes. Say, I realize that some things will stop until you attack it in prayer. Yes. God has made himself available to all.

Yeah. So if, it's like whoever shall call on the name of the Lord. If you bother to pray, you will see the goodness of God. Yeah. Anything anybody is suffering, if they move towards God in prayer, for some reason, God is attracted to people when they pray to him.

Because it creates the room for God to show that I am the God of all. Jabez, verse 10 says that.

[2:09] And Jabez called on the God of Israel saying, Oh God, that you will bless me indeed. And enlarge. This here. Kabashah.

God will enlarge your territory. God will enlarge your territory. God will enlarge your territory.

God will enlarge your territory. Karis, this here. God will enlarge our territory. In the name of Jesus. You will not be restricted anymore. Your life is not going to come under limitation.

The prayer we are about to pray. That means any invisible barrier. Any invisible limitation. Or physical limitation.

[3:05] Whatever limitation. They've limited you. But you have an honorable destiny. Something is trying to limit you. Something is trying to block you. Something is trying to stop you. The devil is a liar.

God will arise. Let God arise. Let God arise. Let God arise. Let God arise. Lift up your voice and call on the name of the Lord. You will not see shame.

You will not be limited. You will not be blocked. You will not be besieged. The siege is over. The storm is over. You will not be limited anymore.

You will be enlarged. God will enlarge your territory. God will enlarge our territory as a church.

God will enlarge our territory as a church. God will enlarge our territory as a church. Yadaadaada masuka! as a church. So shall we be.

[4:07] One of the things that make fasting work is consecration or separation. You separate yourself for God. So that this season every evening, you know I have prayer meeting. I am going. You are going to stay and watch TV.

With your situation. Yesterday I was preaching at KP2. I said, some people don't have to celebrate some birthdays. They are celebrating your 25th birthday.

You want to do a big party. Meanwhile, you don't have a degree. No, there's nothing to celebrate. There are some birthdays. You let them pass. Quietly. And you must come to a place that if God doesn't do something, sometimes you must hold the horn of the altar. I will not let you go until you bless me. With the situation you are dealing with in your life, a new year has started. You are taking it easy. You shouldn't be late for prayer meetings like this. You shouldn't be late because don't behave like everything is okay.

[5:18] It doesn't matter who is here and who is not here. A prayer meeting has been called. God is waiting for you. Some of this season, write your prayer points, the things you pray about.

Get a prayer journal. Write it down. You'll be shocked by the end of the year. God is a prayer answering God. He said that you will enlarge my territory. Enlargement of territory is God. Deliver me from restriction. Deliver me from restrictions. Deliver me from demonic restrictions. Because some of you, it's your season to marry. But for some reason, something has, I said season. I didn't just even say time. There's a period something has happened for you. This prayer is going to change your destiny. Let me advise you. If no one gets to finish uni and you've been struggling with your education and it looks like now things are good, you're about to finish. Please finish with prayer.

[6:21] For so long you've been trying to marry it's not coming. Now for the first time you set a wedding date. For the first time you set a wedding date. You think it's just a walk on the back. Don't be silly. Don't just set a wedding date and think it's done.

Because there's a wind coming. Prayer meetings like this. God is giving you an opportunity to secure your testimony. If you want to marry this in your relationship, don't think that he has said or she has said fine.

So you are going ahead. So everything will go ahead. There are people who are tempted to go ahead and the forces of darkness from their background stood in the way. that prayer is God enlarge my territory.

There's a way God can enlarge your territory. Lord enlarge my territory. Enlarge my territory. So he said that you enlarge my territory that your hand will be with me that you would keep me from evil. Listen there are some evil this year. Evil must not come near you. How come you got a job just before you start they say oh sorry.

[7:32] Hey! No! Sorry for what? Sorry for what? I will seal you before the court of heaven. So we are about to seal them ahead of time before the court of heaven. No evil will befall you.

No evil will come near you. No evil will come near you. I stand here with the prophetic unction that no pregnant woman will miscarry in the name of Jesus and no good news will turn into an evil news. No good news will turn into an evil news. No good news will turn into an evil news. In the name of Jesus in the name of Jesus lift up your voice and begin to call on the name of the Lord.

No evil news will befall you. No bad news will come to you. Evil will not come near you. This year evil will not come near you. This year the goodness of God will manifest every time.

Constantly. Constantly. Constantly. Constantly. Constantly. Constantly. Constantly.

Ra-ga-ga-ga-ga-ba-shada-hayah. We want to pray last prayer.

[8:47] In this prayer Bible Jesus said if two or three of you shall agree concerning your points and pray touching anything Matthew chapter 18 if two or three of you shall agree touching anything in heaven shall agree on earth concerning anything that they ask it will be done for them by my heavenly father.

This kind of prayer is a first day fasting prayer. Fasting first day prayer. So when you fast you see that's one of the best ways to fight spiritually is to fast.

When you fast you are fighting something. You are shifting the goalposts. You are changing the narratives. Join your hand with somebody and let's begin to pray. In the name of Jesus.

So shall we be. So shall we be. So shall we be. Your testimony gets to you fast. Your miracle gets to you fast.

Your breakthrough gets to you fast. This is your hour. This is your season. This is your moment. Your testimony gets to you fast.

[10:05] Limitations are removed. Restrictions are removed. Resistance is overcome. In the name of Jesus. Be blessed.

Be blessed. You will testify. In the matter of hours you shall testify. In the matter of days you shall testify. In the matter of weeks you shall testify.

In the matter of months you shall testify. testify. In the name of Jesus. You shall testify. You shall testify. You shall testify.

You shall testify. In Jesus mighty name. If you believe it let your loudest amen show it. And give Jesus a big, big, big clap.

Somebody say thank you Jesus. Thank you Jesus. Just a quick note. To maximize your fasting be determined not to miss it.

[11:14] And practice private praying. Ten chapters a day will work. Or nine.

Wash your entire system with flow of God's word. It's like you're on a mission. It's a project. You know so take it as a project.

Don't take this fasting season as like the year started we are doing something in church. No, no, no. We are not doing anything in church. It's a personal project everybody is embarking on. And we come here and pray.

And determine not to miss an evening. Determine that you miss an evening. Because you have a date with God. You have a date with destiny. You are coming for enlargement of your territory.

You are coming for removal of restrictions and limitations. And see if this year some of us before March your testimonies will already be.
