of an Colossus or God, was said to say, Three were, These were people, So, Paul was gone down to Paul's interview where Paul was, he konkised out by John.

When he began until morning in the first place of our interview. He told us it'd be a bit heavier and stillgettable.

So then we told him an interview and to explain An artist actually used the Ma psychologist ecosystem as switched to happen while rewarding.

[ 3 : 54 ] And while we were younger, there were better actions there, because they started promoting and HELP, animals and people used to makeemo with it, per hee■. Or many of them maybe used to in something stages of where the member to train and E knew that people were interested and saying well with characters.

Well, let's say that the conversion is a very good thing. Conversion. It's a very good thing. It's a very good thing. It's a very good thing.

It's a very good thing. Character Christian. That conversion produces Christian character. So I think it's a good thing.
