Preacher: Sis. Treva Brooks

[ 0 : 00 ] This is going to be odd. This is going to be strange. The wedding. How many was called to the wedding?

Well, he was called to the wedding. How many was called to the wedding? Okay, you don't get it. I'm going to show you. You was bitten to the wedding before you saved.

Boy, they don't know the scriptures very good, do they? He said, Tereva, you're crazy. No, I ain't. I'm going to prove to you. How many know, Brother Man said, there's 34, 64, and 100-fold?

How many remembers that? How many remembers, he said, that when you come to Jesus, he's already 34. How many remembers that? Okay, get your Bibles, go to St. Matthew's, 22nd chapter, because I see some of you don't understand where I'm going.

I'm going to show you something. Brother Man already knows. I was bitten, Brother Man. Was you bitten? Okay. Hello?

[ 1 : 15 ] Go to St. Matthew's, the 22nd chapter. I'm going to show you something. Everybody say, praise the Lord.

Give me your attention. I probably won't be too long, but if you'll catch this, you'll be blessed. Come on. Amen. Hello? Amen. Okay.

For instance, before I read this, listen to me. How many know that before you got ready, we'll probably go back to the natural again in a few minutes, but how many knows when you got ready to get married, come on, you were preparing yourself to be a bride.

Well, some of you don't even know about that either. Boy, y'all really, I don't know, Brother Man, about these folks.

We need to educate them. But before he become your groom, you was already preparing yourself to marry him.

[ 2 : 32 ] You that's getting ready to marry a man and take on his name. Do we have very many married couples in here? Y'all pray for me.

I want to bring this out the way God showed it to me. It may be a little odd to you. How many want something different? Hello?

So you got to pray for me because I can't do it unless the Holy Ghost does it. I'm not educated like Brother Man. If God don't anoint me, then Brother D, I'm out in the left field. Hello? That's true.

I'm serious. Sister Treva's telling you I got to be anointed to preach the gospel. I do. I'm telling you, Sister Treva, okay?

Okay, listen. 22nd chapter. Start the first verse. And if I mess up on words, I know I got some help here.

[ 3 : 33 ] And Jesus answered and spake to them again by parables and said, The kingdom of heaven is like unto a certain king which made a marriage for his sons and sent forth his servant to call them that were bidden to the wedding and they would not come.

Bidden to the wedding and they would not come.

Again, he sent forth other servants saying, Tell them which are bidden before I have prepared my dinner. My auction and my filing are killed and all things are ready come unto the marriage.

But they made light of it and went their ways, one to his farm, another to his merchandise, and the rent took his service and entreat them spitefully and slew them.

But when the king heard thereof, he was walked and he sent forth his armies and destroyed those murderers and burned up their cities. Then said he to his servants, The wedding is ready.

[ 4 : 44 ] But they which were bidden were not worthy. Go ye therefore into the highways and as many as ye shall find bid to the marriage.

Hello? Hello? So those servants went out into the highways and gathered together as many as they found, both bad and good.

Both sinners. Hello? And good. And the wedding was furnished with guests.

And when the king came to see the guests, he saw there a man which had not on a wedding garment. And he said unto him, Friend, how camest thou in, hither, not having a wedding garment?

And he was speechless. Then said the king to the servants, Bind him hand and foot and take him away and cast him into outer darkness and there shall be weeping and gashing of teeth.

[ 5 : 52 ] For many are called, but few are chosen. God chosen. Brother Van, would you stand up and bless the word tonight? Everybody, please get your mind on God. Jesus.

God, in your precious name. Precious Jesus. Listen.

Listen. The bidden guests are the people of Israel whereas those in the highways were the Gentiles. I would really like to have y'all's attention.

It's hard for me to preach unless the anointing comes. But I'm telling you, God wants you to hear this message. I really believe it. It's all my heart. Amen. The bidden guests are the people of Israel whereas those in the highways are Gentiles.

Both bad and good refer to moral and immoral sinners who alike need God's gracious wedding garment robe of righteousness.

[ 7 : 13 ] Somebody turn over. Let's go over to Isaiah 61, 9 and 10. Somebody say, praise the Lord. Praise the Lord. Praise the Lord. How many of you have been talking about the robes, the garments?

Hello? Hello? Boy, I'm glad they know what you preach, brother. They ain't gonna know what I preach when I get done. Praise God. Hallelujah. Because this is where I got, this is really where I got that message is with part of what you've been preaching on.

34, 50, 34, 60, 40, 100, and anyway, the garments of righteousness. Listen, 61, 9 and 10.

Listen. And their seed shall be known among the Gentiles and their offspring among the people. All that see them shall acknowledge them that they are the seed which the Lord had blessed.

I will greatly rejoice in the Lord. My soul shall be joyful in my God for He had clothed me with the garments of salvation and He had covered me with the robe of righteousness as a bridegroom decketh himself with ornaments and as a bride adorned herself and her jewels.

[ 8 : 41 ] The garments of salvation, the robe of righteousness are the S-Y-N-O. I can't read them all right. Spell them all. I told you. Yeah.

You got it. And refer to salvation itself they are the parable with the garments as a bridegroom and a bride. John 3, 29. Stay with me. Everybody remember what we're saying tonight, okay?

Praise God. John 3 and 29. Listen. He that had the bride is the bridegroom but the friend of the bridegroom which standeth and heareth him rejoiceth greatly because of the bridegroom's voice which bid you to the marriage.

This my joy therefore is fulfilled. Revelation 3 and 20. Somebody say praise the Lord.

Praise the Lord. I'm going to show you something. Listen.

[ 10 : 04 ] Revelations 3 and 20. Behold I stand at the door and knock and if any man hear my voice hello.

Did we just read over there Brother Van where it said the voice? Anybody with me? Over in the book of Isaiah just a few minutes go.

How many members want to say it to bridegroom about the voice? Are y'all with me? and open the door I will come into him and will sup with him and he with me.

Listen. John 6 and 44 says no man can come to me except the Father which has sent me draw him and I will raise him up at the last day.

Amen. Amen. Matthew 22nd said I have prepared a marriage supper.

[ 11 : 52 ] Is this right? Come go out in the highways come on bid them to come y'all ain't getting this.

The table is spread Hello? When we were out there in the highways and the byways isn't the saints of God the bad and the good the Gentile was me and you.

Woo! Hello? Hello? When Jesus was preparing that table and the people refused to come Hello?

He came and I don't know about you but he called my name. He said many called but few chosen but not only did he call my name Jesus showed me brother Van that when we came and Jesus started dealing with us now this is what the Lord showed me and brother D as the spirit of the Lord begins to deal with you he said I stand at your door and I knocked when God dealt with me I wasn't in the house of the Lord please hear this but God was knocking at my door so while the spirit of the Lord was drawing me to the wedding wait a minute Sister Treva he said he's coming after a bride the Bible just said that when the servant came in is that what it said

I prepared a wedding and it's full of guests I feel the Holy Ghost my my my my chica bosh chica please God let me preach this I've never preached this like this hallelujah pray for me brother D when I was coming and I came through the house of God I want you to know the table was prepared before me so when I went in I was already starting to take off the old robe and put on the new I'm gonna prove it to you hallelujah here comes the bride wow when I got ready to take on Wayne's name I may I didn't have a big church wedding but we're gonna use it anyway I still fixed myself up before

[ 14 : 52 ] I came to him to take on his name oh come on preach with me hallelujah bye bye bye bye bye Jesus help me so when I said so I prepared myself you fix up things I'm coming down to marry my husband I preached this one time part of this in Owensboro but this is totally different but it still goes along with it I said listen as the spirit of God he said no man can come unto me unless the spirit of God draws him I'm not saying some people what I believe let me tell you what I believe I believe as you're coming through that door of the church and you're a sinner now this is what I saw you don't have to agree with if you don't want to it don't really matter to me you don't have to agree with you don't want to

I'm just telling you what Jesus showed me cause you're not gonna come to the house of God even as a sinner unless something makes you come come on preach with me come on so the spirit of the Lord is what's already starting to work on you this is what I see come on Jesus is already the bridegroom when you go when Wayne went down here he was the groom I was going to marry some of y'all ain't going to get this some of you are since the tree was crazy the Bible said when he went in after they got him in there he asked the man he looked at him what are you talking about Treva what do you mean according to this according to that

I'm already putting on my garment he said to the man why are you in here without the garment oh come on some of you don't understand why are you is that what he said or am I making this up oh don't preach us nothing different because you know that's far out I ain't preach anything but what the word says you know what our problem is as brother van says we can read it but we don't always see it I ain't always preach this like this I've never preached this like this so some of you probably gonna think when we start being different me and brother van and someone starts preaching oh they're crazy but as long as we got the word back us up you better search it come on and he looked at the man and he said why that's that what he said filled it up with the guests and apparently they had on wedding garments how did they have wedding garments they hadn't married Jesus yet he prepared the wedding he looked at the man he said why do you not have on the wedding garment is that what it says or do we gotta read it again and the

Bible said the man was speechless is this right more or less he didn't have an excuse once God's spirit started dealing with him drawing you in to the wedding wow where he's standing waiting for you wow hallelujah oh Jesus help me God I'll tell you what I saw here's what I see I see me coming in like this this is just this was a free I spoke I was lost and unknown but all I hear God was still young he was brought you hear me I let the spirit of God brought you no meaning here's what I saw and I was coming in the house of

God I could see myself and I could see myself not waiting to get because you know what I knew I had to have a chance come on I knew I was lost and I know here's what I saw I saw I saw myself shaking myself coming in and I thought I was taken off the old road as I went down to the altar come on I was taking off the old road and God was helping me to put on the robe of righteousness he was right here at the altar and I was taking off the drugs the alcohol I didn't have that but I was still shedding off sin and God was bringing me down to the marriage supper and I was taking off the old robe and I was putting on the new robe I was exchanging robes so then when I got up here where the bridegroom was waiting come on somebody say praise the

[ 20 : 35 ] Lord hello go oh man I feel the spirit of the Lord ecclesiastic fifth chapter somebody praise God come on come on I'm gonna show you thank you Jesus somebody read somebody read ecclesiastic five one through seven I can't come on somebody say praise the Lord we can have something here in a minute if you catch this I probably won't preach for long because I feel the spirit of the Lord strong my my my my my my hallelujah how many wants to keep on your wedding garment come on how many wants to keep on your wedding garment come on don't let the devil steal your wedding garment come on hallelujah see Satan wants to take off the old robe brother man was talking about the dog returning back to its vomit come on brother man read it would you listen keep thy foot when thou goest to the house of the Lord and be more ready to hear than to give the sacrifice of fools wait a minute be more ready to what hear are you sure that's what you're saying be more ready to hear what the spirit of

Lord has to say unto the church okay than to give the sacrifice of fools for they consider it you mean it's better it's better for me to obey God and hear than the sacrifice rest with thy mouth and let not thine heart be hasty to utter anything before God for God is in heaven and thou art upon earth therefore let thy words be few for a dream cometh through the multitude of business and a fool's voice is known by multitude of words when thou vowest to vow unto God read that slow when thou vowest a vow unto God defer not to pay that which thou has vowed better is it that thou shouldest not vow than that thou shouldest vow and not pay suffer not thy mouth to cause thy flesh to sin neither shalt thou say before the angel that it was an error wherefore should

God be angry at thy voice and destroy the works of thy hands for in the multitude of dreams and many words there are also divers vanity but fear thou God how many years your wedding we're going back to the wedding when it came down and the bride coming and you're getting can I borrow you a couple give me a couple give me a could somebody volunteer to be a man and woman for me no they're not married yet I want a couple that's married somebody say praise the Lord y'all please listen to this I promise you you're going to get a blessing come here turn around I'll tell you what you go back up the aisle

[ 26 : 46 ] I done made up my mind I had to have a change he read in the bible you vow a vow well I got news for you as same as Missy came down to marry Bruce spiritually now get your focus spiritually Jesus is standing right here to clothe you in the robe of righteousness salvation come on a Gentile lost and nothing done without God if I knock on your heart's door if you open up I will sup unto you so as you're coming to Jesus you come down how many remembers when you came to the altar and you vowed to vow you begin to cry out you begin to repent how many begin to cry out and say oh God forgive me

I'll do this and I'll do that you made a vow and as you made a vow Jesus said my child he made a vow he said I'll never leave you I'll never forsake you I'll be with you through health sickness death whatever it is hey hey you made a vow Jesus made a vow and you married Jesus he put on your garment a robe of righteousness so he said it's better that you not make a vow and not pay it and break it how many remembers that how many is in the bride how many is a bride tonight are you all getting what I'm telling you tonight the bridegroom was already waiting for you to give him your name to take that sin out of your life wow shanduri boho shatai just shaking it off

Jesus said I vow to you if you don't have a job I'll make a way I'll never see my seed righteous forsaken or my seed making for bread if you're in trouble tonight I made a vow I made a promise in that word I'm going to provide for you if you stay my child if you stay married unto me then I'm going to provide for you are you all listening bread but let me tell you something if you're not careful you choose to go another way over the book of Jeremiah he went and he told them he said go warn them did he did he did he did not I'm married unto them is this right help me preach

I'm married unto them but they decide to go another way they decide to go whoring after another god come on if you don't believe it open up the book of Jeremiah it was the house of Israel is this right and the house of Judah is that right help me preach and they committed adultery they decided to take off their new robe and put on the O again oh yeah they did they back slid on God you know what God said let me tell you something friend if you got a husband and a wife's not treating you right you know what you're going to do you're going to divorce them God said I'm going to write out a divorce and I'm going to divorce you is this right is this right come on preach with me that's what he said if you choose to go but he said go tell them I'm still married to him and if if they will acknowledge where they have done wrong not where you've done wrong

I got knowledge where I done wrong not where you done wrong not where you done wrong come on but where I done wrong because see you can't cause me to get a divorce from Christ come on what will separate you me from the love of God come on come on I married Jesus I made the vow God made the vow to me come on I got my own marriage you got your own marriage so it's up to me if I want to stay married or if I want a divorce but if I decide to go a whoring after another God and it's God of this world God's a jealous God well guess what friends to a certain sense I'm jealous of my husband and you're jealous of you laugh if you want to but you are just let somebody come and rub my husband see how jealous I am but you know what we can rub

[ 32 : 23 ] God every way come on we think we can just rub him come on all kinds of and he's a jealous God but we're just supposed to get by with it hello we flirt with the world huh but we expect Jesus to keep us married to him keep on our robe our wedding garment Jesus was good enough to bid us to this marriage to give us an opportunity to come and dine off the good things of God but then guess what the enemy comes along and he prepares a table before you I ain't just preaching it's cause somebody's here either cause God doesn't gave me this message I didn't even know who's gonna be here so God gave me this message so don't say well sit the tree was just picking on me cause I'm telling you what the

Holy ghost gave me cause I went and asked brother if I could preach cause God gave me this message and then when the devil comes along and he offers everything that they were saying a while ago I wouldn't take nothing from a journey now but the enemy comes along and he offers everything that's got a name and it sounds good so the devil prepares a table and if we're not careful we forget about a good table that we eat off of and we'll go over and start eating off the corrupt table and once we start going that way you know what we done done we done broke our vows I'm telling you there isn't many women and men sitting in here and I'm one of them that would continue to put up with somebody that was going out here and shacking with somebody and they're married to them oh that didn't go too good did it but the bible said in jeremiah they went to whoring after the tree you're talking dirty the mother harlot you're paying the harlot what do you mean they're calling me a whore whoring after other gods she's cussing in church the bottom line is god said you can't have two masters the bottom line is who is going to be your god he said choose this day who's going to be your god so who is your god is he your god of this world or is he the god of the universe come on the key in the key what it is is choose this day where you want to be do you want to be in the wedding and stay in the wedding and be clothed or do you want to be like the man that didn't have on the wedding garment when jesus christ comes and says why don't you have on the wedding garment and you stand before him you want to go in the bride and he says you can't come because you took off the new robe and put on the old hello see it's up to me we make choices in life is this right how many

I know we got kids in here but most of us are grown ups and the majority of us is supposed to be grown up in God enough to know what we're doing and you know why the devil is sitting in every kind of trap he can because you know why Jesus Christ is getting ready to and you know another thing we forget just how serious it was the night that we took vows with Jesus and see I don't have to refer your vows and I don't have to pay your vows but I gotta pay mine Jesus am I gonna live for you until death takes me out of this life but it won't be death but y'all get what I'm y'all understand what I'm saying would I be willing Jesus to sacrifice my life have

I made a vow and a promise that I want to stay married to you as long as I shall live my my my my I don't know about you but I feel Jesus and you know it don't always work but it's been known a lot of times natural marriages people got back again but you know what I like about this this marriage with Jesus if it's broken we can get the opportunity to fix it and come back he's married to the back ladder Cause he said I'll never leave you I'll never leave you

God is a good God let me throw this in here I can see the prodigal son now this is what God showed me all this this week brother D I'm serious as sure as I'm standing here I saw everything I'm telling you tonight and I hope I'm preaching it to reach you and make you get a blessing out of it and I hope it touches you tonight I saw the prodigal son starting out in the father's house come on and and what happened jealousy came in listen how many knows jealousy is crueller than great jealousy will destroy you all right you'll better listen to me

[ 39 : 18 ] I said jealousy will destroy you please if you got jealousy in your life get rid of it especially don't have no jealousy in the spirit of the Lord get rid of it do not have any jealousy God hates jealousy and I seen brother D after the prodigal son had left let me tell you on the way back I could see him like I saw myself coming in I believe Santa Teresa once he got down there brother D because y'all know the story so I have to go all there you know he ran away from the father because he thought everything is supposed to be his you know it's the way some of us are in the church we think everything is supposed to be all ours come on we get jealous of our sisters and brothers you know this one can do this and this so anyway you know what we do we wind up in the gutter whole lost prodigal sons in here wrong with us and we are down there watering tomorrow because we can't get our stinking spirits right and we can't oh

Jesus help us God and a whole lot of us is prodigal sons right now hello we're jealous of somebody else is anointing we're jealous of somebody else is doing this and doing that tree for why don't you just hush now you're blowing the whole thing and wrong and I believe as he was raising up out of that pit he was in and that pig pin he was in on his way back he was going back to the father he knew it come on he knew the father had everything that he needed man I feel the Holy Ghost and I could see him I could see him as he was getting up brother Jesse realize were he done your fault and it not you and it not you and it not you it me that need to come out of this pig pin and shake myself and go on back and

I could see him now I believe he was starting to repent I believe he was shaking that old mud off of him come on that old dirty gum that he had on him I believe he was shaking his cell come on right into the father's house and I believe all the way home he was repenting oh Jesus I'm sorry Lord it's me Jesus I'm the one I'm the one that did this God it was me it wasn't my sister it wasn't my brother but it was me oh Lord it was me that did this it was me that messed up it wasn't my wife it wasn't my children it wasn't my pastor but it was me God that messed up so I'm going back to the father I believe he was pitting all the way back how many believe that and as he was shaking off all that mud and all that stuff that he had picked up in his life the father was right there come on son hello how many knows tonight you're a son

I'm a son he that's led by the we ain't got many sons in here either we ain't got many brides and we ain't got many sons well how can you be a son and bride because you're neither male nor female did you know you're a bride did you know you're a son well you're a man what are you doing both did you know you're a female well are you a bride are you a son how can you be a son if you're a female boy that'll shake them up you get one of them devils when you say you're a woman you do this just remind them of that little story hello how can you be a son and how can you be a bride if you're a man because it's spirit how many knows spirit it's spirit it's spirit is this right so what are you saying sister treva I'm saying if it's me and if it's you and we're not keeping on our wedding garment it's not going to be sister treva or brother van or brother

Jesse or any other minister if I overlook you forgive me if I don't call your name any other minister that's going to say why don't you have on the wedding garment boy it's quiet in here but it's going to be Jesus are we going to have an excuse are we going to stand there speechless one day we're getting ready to leave here it could be our time it could be Jesus time but as sure as we're sitting in his place tonight once appointed a man to die and then to judgment ready or not he's coming

[ 44 : 47 ] God has bidden each and every one of us to the wedding so while we got an opportunity this is what sister tree was saying my desire if I God spares and don't come back in 2003 I want to clean up and put on a whole new robe hello you sister tree yes sister tree has got things of the flesh she's not pleased with sister tree will always fail God but you know what I can steal while I have an opportunity to acknowledge where I go wrong

I have an opportunity to make it right and I married Jesus one day he didn't I don't make very many new years revolution or have you said I don't make them my vow would be Jesus let me overcome everything that's not like you let me be more obedient to your spirit Jesus I love you you are wonderful no matter what I'm going through Jesus I want to be able to praise you anyhow so all of us tonight every one of us in here if we're having a battle with our robes there isn't but one way that we can get them without a spot or wrinkle and it's to be in him hello

I feel the spirit of Lord is to be in him how many wants to be different oh come on how many really wants to be different God wants to use us don't look at your sister and your brothers don't look at your children listen I tell you I feel God and I'm going to say this and I'm not saying it because you're here I'm obeying God I did not know who was here but I'm going to tell you quit blaming your husband quit blaming your wife quit blaming your children and start standing there and realize that it's you that needs to change and God listen to me God is a mighty God how many believes we serve a mighty

I want you to go to the music listen to me listen to me I hope this was a blessing to you if this touched you in any way it blessed me just give God the praise it was it was God but listen right now right now how many will admit such a tree will I know I know I need to make a change amen I have something sister I want to sing and I want to sing it slow and anybody that wants to you don't have to but if you want to I want you to come up here and

[ 50 : 31 ] I want you to stand right up here with sister Treva I am not saying it because it was me but I just want you to focus on what was preached tonight just like I was trying to tell you I go you know sometimes see when you do it do it from your heart I can't say no how I love Jesus for you I can't say no!

I love Jesus to me! He is! wonderful for me okay so as we sing this little song I want you to walk up front and I'm going to be one of them and I want us to raise our hands and this is a little chorus I want us to sing try that again let's do high Lord I want it slow Lord don't let me fail I want to be in your pride when my way goes dark Lord keep me by your side and when my way grows weary only let me see something in my life
