Preacher: Bro. Van Ashton

[ 0 : 0 0 ]     Hallelujah, hallelujah, hallelujah. It may be cold on the outside, but hallelujah, honey, there's something going on on the inside. Can somebody shout amen? Whoo!

Glory! Glory! Hallelujah!

Hmm? Once a devil was alive with an angel with lots of power and lots of might, God asked for honor, and he began to fight.

You're hot too, Mama? Oh, she's hot. It's way too hot in here. Has somebody touched that thing? Well, let me crank it down here.

We'll probably get cold here in a minute. Y'all say, oh, my Lord, I'm too hot in here. That's right. Amen. Amen.

[ 1 : 0 8 ]     Amen. Amen. Once a devil was an angel with lots of power and lots of might, God asked for honor, and he began to fight. He got some more together, and they began to rebel.

That's when God moved his throne and then created hell. I may be a square but I won't be around When the trumpet sounds How many has got plans On being around when the trumpet sounds Honey I got plans On leaving this whole world behind Can you shout amen I was talking a while ago I wish them fans were blowing harder That the power of life and death is in the tongue How many of those Were made in the image and likeness of God How many knows what God is God is a creator amen Everything that you see God created Can somebody shout amen If he didn't create it he created the thing that it came from So optimally he created it all And then God said Let us make man in our image and after our likeness And let us give him dominion Everybody know what dominion means That means ruling power amen Somebody shout amen ruling power Ruling power Ruling power Now let me have your attention

Cause everybody's looking everywhere but up here I can't preach till I get your attention It's hard enough fighting all these stinking devils anyway Amen How many want some ruling power Well there's your problem Don't nobody want no ruling power Well if you want it it's already yours All you gotta do is take it Take it You don't even realize it But we 90% of the time We defeat ourselves Because we're professing the wrong thing My job's gonna end this week Bill collectors come to my house I'm gonna lose my house My car My wife But they'll bring my wife back I'm sick It's cancer I'm gonna die I got a headache I think it's brain tumor

You may not know it I didn't make this up But the power of death and life Is in your tongue And you can have the Bible Jesus said You can have whatsoever you say If you say it And you believe it Hallelujah It shall come to pass And if it's not true Then you go take it up with Jesus But his word says it's true Amen God was the creator And he made us in his image And his likeness And he gave us the power To create our situation And our circumstance Amen A lot of us Our home is hell Because we go in And we raise a lot of it Amen We want our home to be like The Garden of Eden But you remember Even in the Garden of Eden The devil was there Can somebody shout amen Hallelujah Hallelujah Hallelujah Praise God I don't know I just hope y'all pay more attention When Brother Larry does That comes when we are tonight Isaiah 53 and 1 Starts out with this

God if you don't hear me In the next three minutes I'm not going to believe In you no more Abraham waited 25 years Before he ever got To the fulfillment Of the promise But he believed God The very first time That God told him Abraham you're going To have a son And your sins Are going to be like The sand of the sea And the stars in heaven Can somebody shout amen Abraham believed God If it worked for Abraham It'll work for me and you Amen Hallelujah 1 Peter 2 6 and 7 He that believeth on Jesus Christ Shall not Be confounded I want to read that to you Because there's two verses there It's in 1 Peter 2 6 and 7 I lost my voice Screaming and hollering And shouting while I go Amen 1 Peter 2 6 and 7 It says Wherefore also It is contained

 Listen But the fearful And the unbelieving And the abominable And murderers And  
 whoremongers And sorcerers And idolaters And all liars Shall have their part In the lake  
 Which burneth with fire

And brimstone Which is the second death Somebody shout amen now Who's going to have their part In the lake of fire? Woo The fearful The fearful Perfect love Casts out fear Perfect love Casts out fear We fear because We don't have perfect love If we had perfect love Then we'd have perfect confidence That God is going to do What he already said He was going to do He said that I would That you prosper And be in health Everybody say I shout Prosper Prosper And be in health Even as your soul Prospers Oh maybe There's the problem Brother Darrell If we want to prosper And be in health Then we got to make sure That our soul Is prospering How is your soul Going to prosper Except to get into The word of God And get into The spirit of God Amen The word Quickens the spirit And the spirit

[ 15 : 33 ] Quickens the word You can't have one Without the other Can somebody shout amen All spirit Leads off into fanaticism A lot of folks Shout like we do Tonight That they won't Take time to preach Then you got The other side They won't shout at all But they'll preach For two or three hours And that leads off Into modernism Amen But God wants us To have a balance Of the pleasure And the pain Amen The bible said The letter killeth But the spirit Giveth life Can somebody shout amen Woo The devil is a liar The devil is a liar Look at John 8 43 All liars Shall have their part In the lake of fire John 8 43 Look at what it says there It says Why do you not Understand my speech Woo You got a day Because it's the 104 Why do you not Understand my speech Even because You cannot hear my word You are of your father The devil And the lust

Of your father Will you do He was a murderer From the beginning And abode not In the truth Because there was No truth in him When he speaketh a lie He speaketh of his own For he is a liar And the father of it And because I tell you The truth You believe me not How many knows That God hates liars God hates all liars God has already Put a blanket curse On all liars All liars Shall have their part In the lake of fire Hallelujah How Is anybody here Total lie this week All the rest of you Can raise your hand Because there's nobody Here that hasn't Total lie There's a little white lie Little black lie Big white lie Big black lie Well brother man What makes us any Different than in the world Y'all listen now You're going to be Laughing and talking You're going to miss it What makes us Different than the world We have an advocate We have a go between We have a high priest

That is standing on the Right hand of God And his mercy is forever On the mercy seat His blood is forever On the mercy seat Making an atonement For our sins And if we confess our sins Yes Lord I lied Please forgive me Then he is faithful And just to forgive us All of our sins And to cleanse us From all unrighteousness Can somebody shout amen How many really believes that The difference between A sinner and a saint The saints still sin But we have an advocate We're pricked Our conscience is pricked When we sin And we say Oh God forgive me And God hears that And his blood washes us White as snow Amen Amen Don't look at me like Y'all think y'all are Holy and pure Ain't never had no bad Thoughts Said no bad Thank you Just a liar You're trying to You're deceiving yourself Can somebody shout amen But you come too late To deceive me Let me tell you Second Thessalonians Second Thessalonians The second chapter Beginning in the seventh verse Second Thessalonians Two and seven Amen As Romans

Let's see Matthew, Mark, Luke, John, Acts, Romans First second Corinthians Galatians, Ephesians, Philippians And first second Thessalonians Amen Somebody shout amen Second Thessalonians Somebody shout amen Come on now Hurry up I'm trying to hurry up Hurry up You got a date It's 228 Listen For the mystery of iniquity Doth already work Only he who noteth willeth Until he be taken out of the way And then shall come that wicked one Shall be revealed Whom the Lord shall consume With the spirit of his mouth And shall destroy With the brightness of his coming Even him whose coming Is after the working of Satan With all power And all signs And all lying wonders With all deceitableness Of riches Of unrighteousness In them that perish Because they receive not the love Of the truth That they might be saved And for this cause God shall give them

Strong delusions That they should believe a lie Who are you believing tonight Who are you believing tonight Are you believing God's word Or are you believing everything else God said Let my word be true And let the world Hallelujah Be a liar And for this cause God shall give them Strong delusions That they should believe a lie That they all might be damned To believe not the truth But had pleasure In unrighteousness Can somebody shout amen Hallelujah Hallelujah The devil Is such a good liar Amen The devil Strolled into Genesis The first chapter First book Third chapter And he He told Eve He said Eve He said what's that pretty tree Out there in the middle Of the garden He said oh that's the tree Of knowledge Of good and evil He said come on Let's go over And let's Let's partake of that tree And she said oh no

[ 20 : 37 ] Said I can't do that Said God said If I Look on it or touch it I'm gonna die The devil said Being a liar And the father of liars Said you won't surely die But God knows That in the day That you eat thereof You shall be as God Your eyes shall be open And you'll know good From evil And you know what So the devil Beguiled Eve And Eve believed The lie Can somebody say amen Eve believed the lie And listen It says And the woman Being deceived Ate of the tree But you know what The bible says But the man Was not deceived I'm macho Macho Macho Macho Man If you did it I can do it Anything you can do I can do better I can do anything Better than you Because I'm macho Man You know what really

Happened She ate of that tree Immediately when she Ate of that tree She lost something When she ate of that Tree of knowledge Of good and evil She lost Four things That her and Adam Leave lost I just want to talk About what she lost First She lost her covering Of glory Of the Shekinah glory Of God That she was clothed in And the first thing She did was she went And she got her Little fig leaves And began to try To cover her Private parts Adam wasn't deceived But he knew That he was going to die But he saw his wife There and he had Never seen her Like that before Because that wasn't God's plan For procreation Hallelujah Amen Because they were Going to live forever And God was going to Supply everything They needed He said amen So Adam said You did it I'll do it too And he wasn't deceived But he partook Of the tree of knowledge Of good and evil And immediately He died Let me tell you The four things They lost First thing they lost Is they lost Their separation From the world The flesh and the devil Can you say amen That's why First Corinthians said Wherefore come up From among them But be ye separate Says God And touch not The unclean thing And I'll be your Your God

And you'll be my children Amen They lost their separation They lost their Relationship with God That God was no longer Going to walk in the evening In the cool of the day And talk to them And as a man Was his friend You know when he came In the evening that day He said Adam Adam was always over there He said here Hey Lord I've been waiting for you Only this day Adam Adam Wherefore art thou Adam We're over here Lord What are you doing over there We're hiding Why are you hiding Because we're naked Who told you You were naked Adam We can see We're naked What have you done What have you done What have you done They lost The covering of glory Let me give you A little warning here We are covered With the Shekinah glory Of God Every one of us That's why Jesus Christ Said ye are the light In Matthew He said I am the light Of the world And then He said now ye

Are the light Of the world A city that is set On a hill But what happens When we sin When we sin The light goes out In our temple And until we repent And rekindle the wick And the fire Lights back upon Our sacrifice Because God is pleased When we don't just say Oh I'm sorry You ever get two children In a fight And you say Alright y'all say you're sorry Oh I'm sorry Well they didn't mean that A bit more than a man In the moon We go out And we do something We shouldn't do We say I'm sorry No God don't take that And you still walk Well I repent Oh no you didn't The Bible said With a humble And contrite spirit of God That would not despise Can somebody say amen Amen God wants that sorryfulness Because you know That you have broken The heart of God Amen You have failed You've missed the mark You done shot wide Of the mark Of the high calling of God In Christ Jesus Amen And God wants to see Some real heartfelt repentance I am truly sorry God That I missed it Please forgive me And when you come to him

Like that You know what he's gonna do He's gonna forgive you Can you say amen Listen Listen They lost their relationship They lost their Courage of glory They lost their home In paradise They lost their dominion Over God's creation Lucifer The highest created being Was such an Such an expert at lying Let me just read my notes here Lucifer The highest created angelic being The anointed cherub Which covered Did I preach on swaddled up here Did I do that at Calhoun The word covered The word covered means To swaddle He swaddled The mercy seat of God The mercy seat that covered God's throne He committed the Unpardonable sin He blasphemed against The Holy Ghost When the Holy Ghost said Don't do that How many believe that There's always been a Holy Ghost Somebody said

[ 25 : 47 ] Oh the Holy Ghost That came on the day of Pentecost No the Holy Ghost Was in the beginning Because what is God God is the spirit Amen If God is the spirit Then when did God Come into being He always has been He's the alpha and the omega The beginning and the end The first and the last Amen Hallelujah The I am that I am The E-Yay Asher E-Yay Hallelujah Hallelujah They committed the Unpardonable sin Listen Lucifer had rather Be a prince in hell Than an angel in heaven Had you ever thought about that Lucifer had rather Be a prince in hell Than an angel in heaven How many people Have come to this church And have rejected The word of God Rejected the pull And the power Of the Holy Ghost To draw us to him And yet have gone back Out into the world After they've tasted Of the good word of God Oh every once in a while They'll come back in They'll get a little I just want to see

How it felt But I can't stay How many people You know like that Come on Come on Hallelujah The highest created Angelic being He rejected the Holy Ghost And he became a devil And he became The first antichrist And he became lost And he lost To Shekinah Covering of glory Amen 1st 2nd Corinthians 11 14 and 15 Somebody find it For me real quick 2nd Corinthians 11 14 and 15 See who can find it The fastest Oh I done found it Look here Turn right to it How about that And no marvel For Satan himself Is transformed Into an angel of life Therefore it is No thing No great thing That if his ministers Also be transformed As ministers of righteousness Whose ends Shall be according To their works Again the bible Said try the spirit Try the spirit What's the devil Going to do In the last days He's going to come With all power And signs

And lying wonders And he shall deceive The very elect If it's possible Can somebody say Philip get your seat Sit down Philip get a seat Sit Be quiet Quit talking About through here Amen Not really But I'm going to quit Anyway I'm about through preaching Because y'all About through listening Can you say amen Hallelujah Hallelujah Hallelujah Where do demons Come from Demons are fallen angels Demons are one time They shine With the brightness And glory of God But they listen To a lying devil And they said We're going to believe you Instead of leaving God Look at people Outside the church today That one time Were angels of light The light of this world And they believe The word of God But they're not here tonight So regardless Of what they may be saying If they're out there In the honky tonks And say well I'm still A child of God Honey I got news for you Old things are passed away

When you get born again And if old things Ain't passed away Then you ain't born enough again Amen And let me tell you what Going on for God Is a dying out process It's a dying Paul said I die daily Amen But let me tell you what If you've been saved for a while And you ain't dying Something's wrong Something's wrong If you ain't changing Amen What did Paul say In Romans 12 and 1 He said I beseech you Therefore brethren By the mercies of God That you present your bodies As living sacrifices Holy and acceptable Under God Which is your reasonable service And be not conformed To this world But be you transformed Transformed Transformed How do you get transformed Honey The Bible said By the renewing of the mind Paul said Let the same mind Which was in Christ Jesus Be also in you Amen What do we got to do We got to get a new mind We got to get the mind of Christ We want to think like Jesus thought We got to get his mind Amen How you going to get his mind You got to go where he went Where did he go He went to Calvary's cross And he died there

You mean we got to go to Calvary's cross And die Jesus said take up your cross And follow me Annie Ansley Sit down and be still Take up your cross And follow me Amen What did Jesus tell us Take up his cross And follow him What did Paul say Follow me as I follow Christ What did Paul say I am crucified with Christ Nevertheless I live Yet not I But Christ liveth in me You want the power that God has You want the power that Jesus Christ had When he walked this earth That God had when he walked here As a mortal man Then walk in his step Do what he did How did he die out to the flesh The Bible said that That he was tempted In all points like you and I Are tempted Yet without sin You know why He was tempted But he didn't succumb to the temptation Let no man say When he's tempted He's tempted with God For God cannot be tempted Neither tempteth he any man But every man is tempted When he's drawn away

[ 30 : 50 ] Of his own lust And enticed And then sin When it's finished Bringeth forth death Amen See sin don't stop Oh well I think I'll just do this Because the devil's tempting me You know I got the Holy Ghost I can take it Now if you've got The real Holy Ghost You got enough power To abstain from The very appearance of it Can you say amen Hallelujah You know some people's Got a price I shouldn't say this Some Christians Have got a price That they're for sale For the right price I just gotta throw this Some people's price Is 310 million dollars That's your price Amen Brother man Was you tempted To go buy you A lottery ticket No it wasn't Because I done knew That the great chances Of me winning Were so astronomically Overwhelming That I wasn't gonna Blow my money on But what could I do

With 310 million dollars Well my daughter Stacy wouldn't be Living in a mobile Home anymore Honey you'd have Your mansion On a hillside But just put it On top of the hill Amen We all got our price It just all depends On how much Is the devil Willing to bid For you Huh What's your price What's your price See everybody's sins Aren't the same The devil may tempt you With smoking That don't bother me I don't give that up Your temptation May be drinking That don't bother me I've never been a drunk Your temptation May be lying And I try my best Not to ever lie So I don't have to Remember what I told You last time Amen So that don't bother me But But the devil Knows your weakness You know what Your weakness is You do know Every time you Go down and pray

You pray about it You pray God You see this thing I've been praying About God Ever since I've been Saved Oh Lord Why can't you Take this thing Away from me And you know What God said My grace is sufficient For you To stand up Against it For when you're weak Then you're made strong For your strength Is perfected In your weakness Paul said I besought the Lord For this thorn in my flesh Three times And God said Uh uh I'm gonna leave it there Cause if you don't You're gonna be exalted Above measure You're gonna think You're some big uppity up Amen What if I could walk In here tonight And I hadn't had A bad thought Said a bad thing Had a bad urge Or desire Or anything My Lord I'd be perfect And I'd already be Raptured out of here Amen But who you gonna Believe tonight I'm gonna believe God's word I'm gonna believe What God's word Has already said Amen I'm not looking For something new Hey You want something new Try reading the bible Cause I guarantee Most of you Ain't read it in a month

Oh you just might Read it and read it Where I tell you To read it But I'm talking About searching it Out for yourself Getting it in there Let that thing Become part of you Let that every time You start to do Something wrong Something says Oh no Don't do that Amen Hallelujah Hallelujah You know how You can partake of sin Because that little Voice inside of you That little conscience That little spirit of God That little holy ghost of God That you ain't let grow Hallelujah It's losing its voice We used to go out And we'd start to sin And some said Stop Don't do that We'd run from it Like it was dying A little bit later You know the devil He don't quit He don't never quit He don't never quit He don't never quit He never quits I wish I wasn't tempted I wish I wasn't tempted Either But the devil's not Going to quit He's coming for you He knows your weakness He even knows your price One day If you don't get real For God If you don't get sincere About going on for God He's going to pay your price And you're going to be lost But any time That you want to get saved

Saved to the uttermost You say Oh brother man I'm already saved I'm talking about Saved to the uttermost I'm talking about When the devil comes in And tempt you You ain't even tempted Because you don't want Nothing to do with it My old pastor Always said You can't stop a bird From landing on your head But you can stop him From building a nest In your hair And on brother Billy That wouldn't be no big job Hey That's a pot called A kid of black Ain't it Listen Our knowledge You're not going to like this But I'm going to preach it anyway Because God said do it Our knowledge is limited By our education And experience Our knowledge is limited By our education And our experience And your education Don't have to stop When you quit school How many here Quit school?

[ 35 : 53 ] I got to hold my hand up too Your education Don't have to stop When you quit school But the worst thing That you can be Is ignorant Of your ignorance You know what the word Ignorance means?

You don't Know The answer Because you haven't been Exposed to the facts How many of us Have been exposed To the facts And we still don't know The answer And you go from Ignorant To stupid Stupidity means that You've been exposed To the facts It's just like Oh this isn't This isn't going over Too good If I've got Cirrhosis of the liver Because I drink Too much alcohol And I keep on drinking I'm not ignorant Of the fact That drinking Is causing me To have cirrhosis Of the liver But I'm stupid If I keep on drinking Amen?

And you can put that With just any other Thing you won't Put it with What did you say That they told Scotty a while ago? The doctor told him It wasn't even The preacher It was the doctor One cigarette Gonna kill Well it can But it might not But listen If you don't know Believe it or not Where there is No knowledge of sin There is no sin Amen?

If you don't know It's wrong It's really not wrong When I was a sinner Taking God's name in vain I didn't know I was I didn't know I was sinning But when I came To the knowledge of sin And I accepted Jesus Christ And got saved Then If I took the name Of God in vain Oh my Lord What have I done I have committed A terrible Horrible sin And I repent Stop right then And repent Jesus I am sorry Please God Forgive me Amen?

Because I'm not Ignorant of it anymore The Bible said That one time There was a time That God winked At our ignorance But now He commands men Everywhere to repent To repent Amen?

[ 38 : 12 ] Our knowledge is limited By our education And our experience Like you may not Have finished school But you may be An accomplished Carpenter Mechanic Or a thousand Other things That you could be Amen?

But listen to this But God knows The opportunities That we have had To hear the word of God To read the word of God To pray over the word of God To meditate on the word of God And we pass that opportunity out God still requires us Once we have been saved We're required Whatever preaching Comes across the pulpit We're going to have to Give an account for Because you know why?

Who hath believed our report? And to whom is the arm Of the Lord revealed? Amen? Who hath believed our report? Have I preached anything Tonight that wasn't true?

If it is Please come see me After church tonight We'll get it straightened out Maybe you can help me But if what I'm preaching To you tonight is true Then please Let's get straightened out Maybe I can help you Amen?

Maybe that when And I fully expect Talking about expecting A while ago I fully expect Jesus Christ To come this year And I want my heart To be right And I want to get closer To God Than I've ever been before Can you say amen?

[ 39 : 32 ] How do you? So we're going to have To give an account For the word that's preached In God's house When we're not here If we could have been here Now if you're homesick And you're really sick That's different If you're just homesick enough To watch UK play basketball Then that's different too Amen?

Amen? Hallelujah Acts 1730 At one time God went to the You're looking for Where it's at 1 Corinthians 1 12 through 15 Paul tells us that You want to read About ignorance?

It takes an honest man To admit his ignorance Read over here With Paul In 1 Timothy The first chapter And the 12th verse Hit it real quick there 1 Timothy 1 and 12 Amen?

Amen? Boy if we was a ball team We'd be out of luck Wouldn't we?

I'm probably giving All them signs Nobody getting on 1 Timothy 1 and 12 And I thank Christ Jesus Our Lord Who hath enabled me For that he counted me Faithful Putting me into the ministry Who was before And listen to Paul's testimony A blasphemer And a prosecutor And injurious But I obtained mercy Because I did it Ignorantly And in unbelief Page 232 If you got a date And the grace of our Lord Was exceedingly abundant With faith and love Which is in Christ Jesus This is a faithful saying And worthy of all exceptions That Christ came Into this world To save sinners Of whom I am chief Who's the biggest sinner?

[ 41 : 16 ] Who's the biggest sinner In the church house tonight?
