Preacher: Sis. Treva Brooks

[0 : 00] I want Brother Pete to testify a little bit. Is that okay? A while ago, first of all, he's shaking. I'm not going to embarrass Pete. Pete belongs to me.

He's my child tonight. Amen? Listen to me a minute. Give me your attention. Went down to Brother Hudson's to preach a funeral. We went to Cracker Barrel and this young man was sitting across the table and he was sitting there and I seen the Spirit of the Lord all over him, Sister Patsy.

We got ready to leave. He put his arm around me. He said, I never heard a woman preach. But he said, I want you to know I felt something. Honey, it wasn't a woman that was preaching in that funeral home, but it was the Holy Ghost.

And he got a hold of Pete. Hallelujah. Amen. And something got a hold of him tonight and he was sitting on the bench over there. And I went up and I said, Pete, God's hand's upon you and he was shaking on the bench.

I said, what are you waiting on? God's Spirit is drawing. Church, come on, give him a praise. God's door is open and this is the drawing of the Spirit of the Lord. This is the day that God is saving, filling people with the Holy Ghost.

[1 : 09] Do you believe that? Give him a big praise. Can you testify, Brother Pete? Listen, this is your young man's never felt the presence of the Lord. Look at him. Somebody shout, it's real.

Never known God had you, Brother Pete. How many believes he feels something now? Can you tell them what God did for you? Give me your attention. I know now that above all, somebody loves me no matter what.

No matter how much I do wrong, he's willing to forgive. And he'll always be there for me. And I would really appreciate all y'all's prayers because my wife and I are having a lot of problems right now.

And things aren't looking real good. I know it will. I love you, Jesus.

How many is going to pray for Brother Pete tonight? How many is going to pray for his home tonight? How many knows if he serves God, God will move for him tonight? Listen, what happened to Brother Johnny?

[2 : 11] Is this all right? Brother Ben gave this to me tonight. How little elbows shut tight. Let's follow the Spirit of the Lord. Brother Johnny came to Jesus. Hallelujah. Just a few weeks ago. Somebody say, look what the Lord has done.

Come on, look what Jesus is doing. He went back. Brother Ben, listen to this. I'm going to show you that God's moving. He's real. Didn't have a job. Hello?

I said he didn't have a job. Tell him what the Lord did, Brother John, after you come and got saved and got baptized. Lord blessed me with a job, good pay, good benefits.

And I went home. I was here the other night, last time I was here, and the Lord spoke to me. He said, sir, I'll give you last \$5. That's all I had. I didn't even have enough to get home.

But I walked in the house, and my mom's a sinner. And she gave my wife, before I got there, \$10. And I'll tell you what the God could do for you. He doubled me.

[3 : 07] Oh, bless you, Jesus. Oh, bless you, Jesus. Jesus. Can't nobody do you like Jesus. Come on. Shout. Can't nobody do you like Jesus.

Hey, listen. Somebody, when you get a hold of the real thing, somebody shout the real thing. What happens? Jesus changes things. Hello?

Hello? Hello? See this baby standing right here? Come here, honey. This baby. How old are you, darling? She was looking around.

The first time she came, she said, come to me. And she said, I'm scared. I put my arms around her, and I said, honey, that's just Jesus. You don't have to be afraid.

I seen her wandering around. I could tell she was wanting something. The Spirit of the Lord was on this baby. How many knows the Holy Ghost is moving on our babies? I seen a little baby.

[4 : 06] How old is Jessica, Misty? Five years old, a few weeks ago, laying down in the floor, speaking in the Holy Ghost. Oh, some of you don't believe it.

This is the day. Y'all don't know, I wouldn't touch it. I wouldn't touch it. I wouldn't touch it. This baby, come on, I put Mars around her, and she said, I want to be saved.

Look at her, and she's precious. I found out there's a lot of problems going on. God brought me in this family's life again. Come on. Sister Flo, I tell you, I knew them way back.

Had to go to a funeral home and preach to Papaw's funeral. But honey, I didn't preach about Papaw. Come on. No one, no one, the Holy Ghost, come down in it, Brother John.

And Sister Patsy, the Holy Ghost took over, and I preached to them. And I said, Papaw would tell you, get saved. Get back in the house of the Lord. Got talent. And Satan has come in among, and trying to divide this family.

[5 : 17] But how many is going to lift them up tonight? Come on. How many is going to lift them up tonight? You don't have to know their names. Just begin to call out God's name on them. They're running from the Lord.

I talked to Linda tonight, and I said, when are you coming? She said, I got every problem going on. I said, who are you talking to? Sister Tree was going to tell you what is going to solve your problem. Linda, you know where you need to be.

You need to be in the house of the Lord. How many knows this is our problem solver tonight? Come on. Hallelujah. How many knows Jesus will make a way for you? Do you want to say something, baby?

No. I love the Jesus. She loves Jesus. Come on. Give him a big hand of praise. Hallelujah. Let's sing just a little bit of this.

Can we just, how many feels the praise of the Lord? God's moving in his place. Somebody say, God's moving. He's here, isn't he? I feel, I don't know why.

[6 : 11] The Lord just said, saying, Yes, Jesus loves me. Yes, Jesus loves me.

Man, I feel the Holy Ghost. Yes, Jesus loves me. For the Bible tells me so.

Oh, Jesus loves me. This I know. Sign it. For the Bible tells me so.

Man, do you feel the Holy Ghost? Little ones to him below. They are weak, but he is.

Oh, sign it. Yes, Jesus loves me. Raise your hands and sign it. Man, the Holy Ghost is in here. Do you know how much he loves you tonight?

[7 : 26] Loves me. Yes, Jesus loves me. For the Bible tells me so.

Saving, filling people with the Holy Ghost. Some of you has been in such a pit. And you're here because I know you're here. Because I can feel the Spirit of the Lord.

I know what God's saying. And you've been so far down. And the devil's told you nobody cares about you tonight. But the Spirit of the Lord said that he's singing this little song to you right now.

[13 : 32] And he's ministering this to you. Jesus loves me this. Do you really know it?

For the Bible. The Bible says so. He cares about you tonight. If you want your heart changed. You want your life changed.

If you'll just raise your hands where you're at right now. You don't even have to come to this altar. The Holy Ghost is so strong in this place. You don't even have to come to the altar. Come on.

The presence of the Holy Ghost is powerful in this place right now. It's calling your name. Come on. I said Jesus calling your name. Jesus loves you.

I don't care how far you've been. I don't care how far down you've been. Jesus telling you right now that he loves you. Is he calling your name?

[14 : 30] The Bible tells me so. Man, I feel it. I said Jesus loves me. Come on. Loves me.

This I know. Listen. For the Bible. God so loved the world that he gave his only begotten son.

Sing it. Whosoever believeth in me shall not perish. Come on. But shall have everlasting life. Man, I feel the whole shot. Somebody praise the Lord tonight.

Jesus wants to change you. Come on, Jesus. Jesus wants to change you. Loves me. Jesus loves you. Yes, Jesus.

Jesus. I said he loves you. Yes, Jesus loves me.

[15 : 27] For the Bible tells me so. Hallelujah.

Keep playing, sister. Hallelujah. Hallelujah. Hallelujah. Hallelujah. Jesus just did something for you, didn't he? Did he touch your life?

Did he touch you, honey? You feel better? You felt Jesus? He did something for you. Are you going to accept it and take it with you tonight? He wanted you to know he loves you.

He died on that cross for you. When he was on that cross, you was on his mind just like everybody else in his church tonight. Even though the devil told you there wasn't no hope, God said you got the hope tonight.

Hey! Shabbat hokoya. Now, receive it. Go with it. God satisfies your soul tonight. Let him satisfy your soul. Do you know that he did something in your life?

[16 : 29] Can you say he did something? Can you tell him? What did he do for you, honey? I feel a lot better because I've been stronger.

But I feel stronger. And I know that he's going to make me strong for my baby so I can be there for her and my husband. And we're going to be all right.

Do me a favor. Will you come to the house of God? Come to the house of God. Amen. Amen. If you're not going nowhere, you're welcome here at Riverside.

Everybody say you're welcome at Riverside. We love you. We love you. Amen. Amen. Amen. Man, who feels the Holy Ghost in here? Come on.

Is he here? How many knows the Bible said nobody can come except the Spirit draws him? How many believes we're living in the drawing time?

[17 : 28] Sister Patsy, it's here. Brother Paul. Sister Jen. Listen to me. God is speaking in this place tonight. He's drawing you.

While the doors open, you better get in. The Bible said, I am the shepherd. Is this what it says?

And I stand at the door and I knock. And God is knocking at some doors tonight. Hello? And he said, if you'll open unto me.

Is this right? Hey, we're just following the Spirit of the Lord. I didn't have this planned. Amen. Ain't you glad we didn't have this planned? Brother Paul was talking about a plan last night. God's got it worked out.

Hey. God's got the plan. And all he's waiting for me and you to do is to follow it. Hello? Hello? How many wants to get in the plan of God? He said, if any man are open unto me.

[18 : 26] I will come in. And I will suffer with him. Is this right? Listen. Listen. We are in an hour that the devil is trying to convince people.

Man, I feel the presence of the Lord. And he's telling you, you're no good anymore. Done went too far.

Man, this is what the Holy Ghost is saying in his service. Is this all right? Can I obey the Lord? Is this all right? God is saying in this church tonight. You feel like that you've went so far.

And the devil is telling you that God don't even love you no more. This is what the Holy Ghost is saying tonight, Sister Patsy. But the Spirit of the Lord said to tell you tonight.

That while we were singing that song. If you'll let it minister. How many believes God can minister to you in songs? He's ministering to you tonight.

[19 : 37] Saying Jesus loves you. Amen. Man, is anybody else feeling here what I'm feeling right now? Go ahead, saints.

Go ahead. Listen. Listen. Listen. The Spirit of the Lord is greed. He's burdened tonight because, listen to me.

The door is just about to close. Hello? How many believes the door is just about to close? Listen to me.

But what would you do if He closed the door on you tonight? Man, the Holy Ghost is in His place.

How many feels the Holy Ghost in His place? God's speaking to some people. Can you say amen? Come on. Minister with Sister Treva. Stay with me. Amen. The Bible said that when they were in the upper room and it was in one mind and one accord.

[20 : 45] How many knows what happened? The Lord came in like a rushing mighty wind. God, if we'll stay in one mind and one accord right now while the presence of the Lord is in this place.

He's still going to do something. Man, I feel Jesus. How many says, how many can say, I feel Jesus?

Come on. He's in this place. I'm telling you, He's strong tonight. Listen. We can't change you. Sister Treva can't change you.

Any minister in here tonight, they can't change you. But we're telling you, a man that can. Come on. Let me recommend Jesus to you tonight. Come on.

Somebody say, praise the Lord. I give you Jesus. How many knows Peter and John?

[21 : 44] What they said. That sounded funny when I said, I give you Jesus, didn't it? But Brother Paul, did they say silver or gold have I none? Or did, and did they say such as I have, I give unto thee?

Is that what they said? Well, how many believes you can give somebody Jesus tonight then? Man, man, I feel the spirit of the Lord. Can you give them Jesus tonight?

Some of you don't even believe this. I said the Bible said silver or gold have I none. But such as I have. How many's got Him tonight?

How long has it been since you've been in the presence of the Lord like this? God's changing lives in His place tonight if you let Him.

Listen, revival's not for us that's already. Oh, it revives the ones that's been saved. But how many know what revival really is about? Hello.

[22 : 50] How many's glad to see Jesus praying in souls tonight? How long has it been since you, come on, aren't you glad? How long has it been since you've seen the drawing of the Spirit like this?

Come on, church. Amen. Somebody say amen. God's changing lives tonight. He's saving. Bringing in the backsliders.

Come on. Filling people with the Holy Ghost. Delivering people off of everything. Hey. Amen. Amen.

Somebody say, look what the Lord has done. Come on, shout it. Look what the Lord has done. And can't nobody do you like Jesus.

Listen. Listen. If you're in His place tonight. And you walk out this door without getting what you want from Jesus.

[23 : 56] It's your fault. Amen. Come on. Back me up, saints. Don't blame the preacher. Don't blame the pastor.

Don't blame the one that's sitting next to you. If you don't get what you came for tonight, it's your fault. Come on.

Come on. Because we are in the presence of the Lord tonight. And all we can do is tell you what the Spirit is saying. How many remembers what Sister Treva ministered on the last time she was here?

Anybody? Does anybody remember what we ministered on the last time that we was here? That I preached? He that has the Spirit.

Y'all done forgot? He that has an ear. Come on. What? He that has an ear. What? Let him hear what the Spirit has to say unto the church.

[25 : 06] A lot of you done lost your ears already? And then Brother Paul got right upon it last night and was talking about the very thing that he didn't want to hear.

How many knows he wasn't here? Did he or did he not speak out what Sister Treva had said? My sheep will know my voice. Hello? And a stranger they will not follow.

Was we on this the last time we were in here? And what did we say? Whenever we hear the Spirit of the Lord by faith, what are we going to do? React on it.

Hello? Hello? Brother Paul, that when Noah said to Patsy, began to hear the voice of the Lord. And he began to react on it.

And he began to build a boat. Come on. Man, people persecuted him. People made fun of him. They thought he was foolish. Come on. Because he was doing something out of the ordinary.

[26 : 06] Amen. Hello? Hello? Amen. Amen. Amen. Amen.

He went on. It did not matter. Because he heard the voice of God. Even though he didn't see the flood.

Hello? But because that he heard the voice of God. Man, I feel the Spirit of the Lord. Why are you picking up back up on that? Because I feel the Spirit of the Lord. He got the material.

Come on. He called the whole shot tire. And he began to go over there. And God told him just how to lay out the plan of the boat. Man, I feel the Holy Ghost.

He drew out a blueprint. Hey! Then God told him what to do. Honey, don't you know? While he was building that ark.

[27 : 05] I'm telling you. They got over there. They made fun of him. They ridiculed him. But you know what? He did not care. Because he was in tune with the Master.

He knew what was getting ready to happen. Amen. Amen. Amen. Amen. Jesus, because you said.

That you're going to send a flood. Even though I don't. Man, I feel the Holy Ghost. Even though I don't see the flood. I'm going to do what you said to do.

I'm going to get the material. And I'm going to. And I'm going to build that boat. You go on. You laugh at me.

You make fun of me. Come on. You persecute me. All you want to. But I am going to get inside of the boat. Because. Because.

[28 : 11] Jesus has given me the key. Hot to most shut tight. And because. He found grace in the eyes of the Lord. And because. He obeyed Jesus.

What happened? Do you want your family saved tonight? God. Then when God speaks to you.

Even though you don't see it. You're going to say. God. I'm going to get this material. I'm going to do what you tell me to do.

Man, I feel the spell of the Lord. I don't care if they persecute me. I don't care if they laugh at me. They don't see what I see. They don't hear what I hear.

But Jesus. You said. If I do this. Then you. Will bring my children in. You will save my husband. You will save my wife.

[29 : 11] You will save my children. If I do what you tell me to do. Ha ha. Shabu. Ha ha. I'm going to do something Jesus.

And I heard brother Paul say last night. Brother Paul. I listened. He does foolish things. To compel.

The wise. Was you on that? When you on that. Or was I? Hey. See I listen. How many listens? To the word of God. See when you listen. If you don't listen. You're going to miss something.

You know what we do? We need to take it home with us. Come on. How many. Let me tell you something. How many knows. When this is coming forth.

Your brain and bread. Ha ha ha. This is bread. And the Bible said. They went from house to house. Breaking bread.

[30 : 13] And you know what Jesus did. When. Because they were hungry. And they ate the bread. The Bible said. He added. Hatomoshotohokaya. Italomoshitai.

Is this what it says? Sister Passy. Is that what it says? Brother Paul. And what did he do? Brother Van. What did he do? He added souls. How many knows the word? So you know what?

When we begin to break the bread of life. And you begin to eat. You know what's going to happen? Hello? Hello? Does anybody know what's going to happen?

He's going to. That's what he's doing right now. He's going to add souls. Amen. Come on. Somebody say amen. He's going to add souls. This is our daily bread.

Hatomoshotohobohoya. Let me tell you something friends. How many of these. A man's thought just come to me. How many remembers when. They used to make homemade bread.

[31 : 15] And they knit it. And they put it in the oven. Hot man. I feel the spirit of the Lord. And they take that bread.

And they get that oven hot. I never made bread. But I know this is so. Probably at the bread store. Knitted that bread. Is this right? And then that bread had to rise.

Hey. See this bread. It's been knitted. It's been put in the oven. Hey.

Come on. Praise it. It's been in the fire. And it has risen. And it has risen. Oh. Oh.

Come on. Somebody say praise the Lord. He told him. He told him. He told him. He told him. He told him. He told him. He told him. He told him.

[32 : 13] He told him. He told him. Man, I feel Jesus. Somebody shout, I feel Jesus. Did y'all get that? Did y'all get that?

That was good, wasn't it? That was good, wasn't it? That was good. It was good. Had you ever thought about that before? So Jesus said, He that hungers and thirsts after righteousness shall be filled.

How many knows over in the Bible Jesus was passing by a well and there was a little woman. Come on.

Man, I might probably need to get you scripture. Don't sound like too many knows the word. I might need to open the Bible. Hallelujah. The Bible said know the word but I can open it up because I can tell you where the scripture is if you don't know what it is and the Bible said that Jesus came up to the little woman.

Do we need to open it and read it? For some of you that don't know about it does everybody know what I'm talking about? Do y'all know what I'm talking about? I can give you the scripture where it's at if you want me to. Hallelujah.

[33 : 21] I'm talking about the bread and talking about the water. And he walked up and he said give me a drink. And she said, Jesus, why are you talking to me?

And why are you asking me to give you a drink? And she said, oh, if you just knew. If you just knew who was standing here asking you for this drink.

Hey, hey, how many knows what I'm talking about? There was a natural well there. But in the meantime, Jesus let her know if you drink of this water, you shall thirst again.

But I can give you the living water. Come on. And it will spring up in you and you will never thirst again.

He was going to give her a well that would never run dry. Come on. Honey, there's wells out there that runs dry. You got to prime them. Come on. Hallelujah.

[34 : 27] I know what I'm talking about because I used to have one. Hallelujah. Right over here on Lee's Lane, of all places, I had a pump and I had an old pump you had to get out there and about kill yourself, Lord, tell you so.

And I'd pump and I'd about kill myself. And that thing would just, and how many knows? Brother, if there is no water in there, you ain't going to, man, I feel the Holy Ghost. So you know what's happening?

The devil has put debris in our well tonight. Huh? Come on. And God wants to prime our well tonight so that we can get the water flowing back in our wells.

Somebody say praise the Lord. Because Jesus will give you bread and you'll never hunger again. Is this right? And Jesus will give you water and you'll never thirst again.

Hallelujah. Hallelujah. So see, if our wells are filled up, nobody's going to have to prime us to praise the Lord.

[35 : 34] Is this right? Nobody's going to have to prime us to do anything for Jesus if our well is overflowing tonight. Is this right? River of joy is flooding my soul.

Is flooding my soul. How many's got river of joy? And what else? And when it's filling your soul, you know what he'll do?

He'll give you peace like a river. How many knows what I'm talking about? See, let me tell you something. Wayne lived on a farm.

I never know a whole lot about a farm. But I also, I do know one thing. If you let that well get a bunch of corruption in it, come on. Would you want a drink ale of it?

Hmm. Hmm. My, my, my. Getting warm in here. Woo! Then you know what God's saying?

[36 : 38] If we'll get the debris, come on. Is this right? Get the garbage, not out of your well, sister, but out of my well. Ha! Then I'll flow in you, and I'll spring up in you, ha-to-bo-ho-shad-do-lo-bo-ho-koya, till you overflow, and you want no more.

Is this right? He that hungers and thirsts after righteousness shall be filled. Fill my cup, Lord.

Fill it up, Lord. While that river's going through, flow out the thing that's in me that's hindering me. Come on. Listen. I'm gonna say it again.

You ain't my problem. You ain't my problem. You ain't my problem. You know whose problem I am? My husband ain't my problem.

My problem is me tonight. You might as well recognize who it is. It's you. It's not your sister. It's not your neighbor. It's not your brother.

[37 : 49] But it's me, oh, Lord. I believe I heard somebody say in the church last night, I think it was Brother Van, behold, there is a glass.

Help me out because there was two preachers last night. And I had to soak both of them in so I couldn't remember. And I'd behold, is this right?

And look in the glass that I can behold His glory. Well, sometimes when I look in the glass, I don't see His glory. Oh, you don't either, so.

All the rest of you, all the rest of you can say amen. Amen. I see things I don't like. Sometimes my mouth's too big.

Amen. Brother Van was on that too. I know it's Brother Van. About the lips. Woo! My, my, my, my, my, my. Oh, Sister Treva, I'm in control.

[38 : 52] Yeah, right. We're in control, all right. That's why we need the living water to get a hold of our well and pump and sprain up in us, honey, so that He can get in control and conquer the pain that's within me.

Amen. Look over at your next door neighbor and say, you're not my problem. Amen.

Amen. Amen. Amen. This is so, this is not a joke, but you know, because we want to blame it on the cat. We want to blame it on the dog.

I like blaming it on my job. Anything I can blame it on. Blame it on the devil. Honey, it ain't always the devil. A lot of times it's just us. Go ahead. Go ahead. It's because we've allowed garbage and the priests to get in our wells.

Hello, you know what? If they would just straighten up and fly right, then brother, I could do something. You lying devil.

[40 : 06] We could all straighten up and you still wouldn't do nothing. Hey! Go ahead. That didn't go too good, but it's so, it didn't cost you a thing. No matter if I stood on my head, no matter how good I try to live, but there's nothing in me that's good tonight.

I was thinking the day about, man, I'm probably preaching all kinds of sermons. I was thinking the day, he that's without a sin, let him cast the first stones.

Honey, we can sure cast stones and bruise the people. Let me see how big a rock I can get so I can knock you out. Man, I feel the Holy Ghost.

You're in my way. So I'm just going to get me that big old rock and I'm going to throw it at you and I'm going to see how hard I can knock you out.

Well, honey, when you get so good that you can throw a rock at somebody and knock them out, then go ahead and throw that stone. But whenever we begin to look around and say, it's me, oh Lord, and all I need to do is work on myself, get my attitude under subjection, then I'll be able to serve the Lord with my sister and my brother.

[41 : 26] It didn't cost you a thing. Jesus is trying to bring the body together. Somebody say, praise the Lord. Praise the Lord. Amen.

He's bringing the people out of the people. Listen, let me tell you something. We got babes coming to the house of God. Somebody say, praise the Lord.

Be careful, little mouth, what you say. Hey, I'm meddling now, Sister Stephanie. We can't wait to go tell somebody about somebody that's trying to do something for God.

Instead of saying, let's go over here because they're young in the Lord, let's call their name up and let's pray for them. Let's see how fast we can go out in the parking lot and cause confusion.

Go ahead, Sister Missy. Praise the Lord. Ha to bo shoh. No wonder Brother Van preached on the lip last night. Hallelujah. Hallelujah.

[42 : 33] Listen, friends, we need to hold up Jesus Christ and we need to hold up the people that's striving for perfection.

We have not made it yet. You follow Sister Treva? I got false and I make mistakes every day. But when you get perfect, then you can come and throw stones at me.

Listen, you know what our problem is? We do not know what's going on. We just think we do. So you know what we try to do? I'm going to straighten it out.

We're so busy meddling, trying to work out everybody's situation. We can't work out our own. Now why did you get on that? I don't know. I'm just following the Spirit of the Lord. They were such a sweet spirit in here.

Now there you go meddling. But let me tell you, God is trying to bring a people together that will love one another. Come on. As Christ Jesus loved you.

[43 : 37] Amen. Because there is power in togetherness. Amen. If we want to see God build a church, then let's come together and God is going to build a church.

Can you give Jesus a big hand of praise? Because he said a divided house won't stand against itself. Amen.

Somebody said, I don't know who it was. Maybe I just heard this. Let them come in, walk, and grow up in the statue of the Lord.

Amen. Is this all right? Is this all right? Amen. Amen. So because that person hasn't got on the level that you're on, don't run your mouth about them, pray for them, lift them up, and encourage them in the Holy Ghost.

Listen. We got, how long have we prayed for, Sister Pat, I tell you, for some men in the church. Go ahead.

[44 : 47] Go ahead. Go ahead. God has sent some wonderful young men in the church. Come on, give Jesus a big praise.

Well, I know where they've been. I know what they've done. And, bah, bah, bah. Well, so does Jesus. He knew where they were at. He know what they've done.

And he brought them out of the pits. And you can't do nothing about it. Hey. Jesus said, I put them in the body as it pleases me.

Quit trying to pluck them out of the body. Jesus said, up on this rock, I'll build a church. Jesus has a plan that Brother Paul was talking about.

Just like God had a plan for no other to build the ark, God is gonna build the church and he's not coming and asking me and your approval. Touch not my anointed and do my prophets no harm.

[45 : 58] I don't care. God has brought us in some good young men. Give Jesus a praise. And sometimes they're gonna struggle.

Hello? So as they're struggling, what are we supposed to do? Take them by the hand and say, God said, you are an overcomer.

You can make it. No matter what the devil says, he brought you out and you are more than a conqueror through Christ Jesus. He's real.

He's real. Why are you saying this? I don't even know. Because I felt the Lord want to go. Jesus loves me. This I know. I don't know why I'm going around on two, three different things, but it's needful.

Or it wouldn't be going that way. Because I feel the spirit of the Lord. How many know sometime God will lift us up and then he'll whip us real good? Come on.

[47 : 20] Nobody ever gets whipped beside me? Man, it hurts too, don't it? I thought my daddy whipped hard and my daddy whipped hard because my daddy used to cut the pie and he used to make the blood cup here and he used to put the whiffs on you.

But let me tell you something, friend. When you've been whipped by Jesus, you know you've been whipped. Come on. And the reason our whole lives are still getting whippings is because we're hard headed and we're rebellion against the spirit of the Lord.

You might as well say amen. So you know what? Some kids, you had to whip harder than you did others. Hey. Come on. Man, I feel the spirit of the Lord.

How many knows you had a family? How many knows your children were different? Come on. Hey. Come on. And you know what the kids is saying? Oh, you treat that one better than you do me. You didn't whip that one.

Man, I don't know why I'm saying this. You didn't whip that one like you did me. You got favoritism in those kids. But you know what the truth is? There's a difference in kids.

[48 : 22] So you know what? It's the same way with God. Come on. Is it so? Do y'all feel, do y'all understand what I'm saying? Do y'all hear this tonight? So you know what? It may take a harder whipping for you than it does me.

Come on. Come on. Amen. You better hear what I'm saying. Everybody's different. Every child of God is different. Amen. So sometimes it may take a little rough spot harder on you than it does me.

But you know what? We're all in the ark together. We're all supposed to be in the boat together. So right, so out the lifeline, try to rescue somebody and let's go to the partner's house together.

Somebody say praise the Lord. How many wants to be filled with the love of Jesus? Hallelujah.

Hallelujah. Sister Treva has been looking in the mirror lately. Come on. Sister Treva has been trying. See, you don't know me. You just think you do.

[49 : 24] I said, you don't know me. My husband's lived with me for 45 years. And you say, I know you. No, you don't. No, listen. Listen to this. Listen to this.

You're going to think this is funny, but this is serious. You don't know what that person's doing. Only God knows the mind and the heart of man.

Oh, I felt that spirit come against me, but I'm going to explain to myself now. Just because you live in the house, and this is what our problem is. Oh, I know you.

I know how rotten you are. I know you from way back, and you ain't never changing, ain't going to. Hello? How many's got some knows what I'm talking about?

Do we get those attitudes? But you know what? Church, we better be careful. You don't know when I'm in the night crying and asking out to God and asking His forgiveness.

[50 : 22] You don't know because Sister Treva was where she was years ago. You don't know what I'm trying to do. Hello? No more than I know what you're trying to do. Even though you're married to your companion, you don't know what that companion's doing.

You don't know when they're repenting and they're trying to make a change. Hello? This is what's happening. The Spirit of the Devil has got a hold of our thoughts tonight and we say, I know you.

No, you don't. You know who knows us tonight? Jesus knows us. He knows exactly where we're at. He knows exactly where we've been and He knows exactly where we're going.

Can you say amen? Amen. Is this right? Jesus knows me tonight. He knows all about us tonight. Is this right? Jesus is keeping a record about me and you tonight.

Is this right? Hello? Well, let me tell you something. You didn't put my name in the Lamb Book of Life and you can't take it out. Is this right? Only Jesus, come on. Jesus put our names in the Lamb Book of Life and you know who can cause them to be erased tonight?

[51 : 25] I can. Hello? Hello? Did everybody know that Jesus got this big pencil and it's got an eraser? Hello?

He's got this big record book. Hello? And He's writing down our names. Come on. If your name's written in that Lamb Book of Life, praise God. I want my name to stay there.

Hello? Come on. But if I'm not careful, is this right? Jesus can take that big eraser. Are you listening to this tonight? Hey, hey, you better hear what I'm saying. He can take that big eraser and He can erase us out of the Book of Lamb of Life tonight.

Can you say praise the Lord? Hello? Is this so? I'm going to prove to you. Now we're going back to Noah. Noah, when Noah built the ark, he wrote down the names that was to enter in.

Amen? He destroyed every living thing that was upon the earth that didn't hear the voice of God. Is this right?

[52 : 30] I'm winding down. If you're still with me, say praise the Lord. And because they rejected God, amen, amen, he erased them, come on, and they could not enter in to the ark.

Is this right? And the flood came and the Bible said they stood without and knocked on the window.

I believe they did. I believe they was weeping. Come on, how many believe they was crying like you never heard before? Why are you going back to this? Because listen, I'm going to tell you something tonight.

Warning comes before destruction. Hello? In this house tonight, in this house tonight, God was knocking at some doors to get in the ark tonight.

So here's what I'm saying. If you didn't obey the Spirit of the Lord tonight, and you didn't get in the ark, don't blame nobody but yourself.

- [53 : 49] I'm sure they would have liked to blame Noah but it didn't work. Hello?
- Hello? It's a whole lot easier to blame somebody else than to look at ourself tonight if we don't make it. But friend, I got news for you.
- If we don't make it tonight, it's nobody's fault but our own. Will you say praise the Lord? God spoke to some hearts in this place tonight.
- Amen. And let me tell you something. I'm going to get bold enough to tell you you didn't come. So if God closes the door on you tonight, do not blame nobody else but yourself.
- And Jesus said, listen, Jesus said, my spirit, Brother Paul, is this what the word says? Will not always strive with men.
- [55 : 11] How many knows God was in his place tonight? Amen. Amen. Amen. Amen. Amen. And it goes back to he that has an ear. Let him hear the spirit speaking to you tonight.
- And by faith, if you will react on it, he will bring you into the ark of safety. Amen. Amen.
- Amen. Amen. Is this right? Is Jesus in this place? He's still here. He's still here.
- So you know what we're going to do? We're going to sing a little bit more of Jesus loves me this I know.
- Sing it. For the Bible tells me so Little ones to him belong Listen, while we're saying this, move this.
- [56 : 23] Listen. Say that. Go ahead. Everybody pray. Everybody close. Begin to pray. If you're here tonight and you've heard what the Lord has said tonight and you don't want to miss it, God said give you one more opportunity.
- Listen, saints. This isn't Sister Treva. This is Jesus. It wasn't Brother Paul last night or Sister Patsy.
- It was Jesus. It wasn't Brother Van. It was Jesus. Somebody say, do y'all believe that? So guess what?
- I want to give you Jesus. Amen. Amen. Can I give you Jesus tonight? Saint saints. Let me give you Jesus tonight.
- God's still speaking to you. And if you don't even, if you, listen, if you don't want to pray at the altar, if you'll just make your way up here, we got ministers in here that'll pray for you tonight.
- [57 : 46] If you just say, I need prayer, I want to touch from Jesus tonight. This little sister will tell you it's wonderful. Listen, there's nothing like feeling the presence of Jesus.
- I'm not trying to embarrass you. I wouldn't do that for nothing. I don't know where you are tonight and it doesn't matter to sister Treva. All that matters tonight is Jesus is telling somebody tonight that he loves them and he's wanting you to accept a healing in your spirit.
- Man, I feel the Holy Ghost. there's some people here tonight that needs a healing in your spirit. Somebody say praise the Lord. So if you don't want to kneel to altar, if you'll just say, sister, I'm one of them that Jesus is speaking to the night that loves me and I just want to come up and give prayer.
- Would you come? Would you come right now and let the ministers pray for you? We don't have to know what you need. Jesus knows what you need.
- There's some people in this church and I hate to leave here knowing that you need a healing in your spirit. I could come to you. I could actually come to you right now.
- [59 : 04] But I wish that you would come to him while he's beckoning you to be healed tonight in your spirit. I don't care if it's a broken heart. I don't care if it's your mind.

God has a healing for your spirit tonight and he wants you to know that Jesus loves you. Would you come and let these ministers pray for you?

Come on. Don't pass it up. Jesus loves me for the Bible tells me so.

Come on a little bit longer. Jesus brother Van brother Paul sister Patsy would y'all come up and help us pray for the people. Ministers you're in here.

Come on, get your touch tonight. Peace from that mountain. Yes, Jesus loves me. Thank you, Jesus. Yes, Jesus loves me.

Yes, Jesus loves me. Everybody, come on, give somebody a hug tonight. Tell them Jesus loves them. Jesus loves me.

Jesus loves me. Jesus loves me. I know. For the Bible tells me so.

And little ones will be loved. They always love me. They always love me.

[81 : 48] They always love me. They always love me. Yes, Jesus loves me. Yes, Jesus loves me. Tell somebody, hug somebody, and I can tell them you love them tonight. And Jesus loves me. Oh, yes, Jesus loves me. Oh, yes, Jesus loves me.

Yes, Jesus loves me. Come on, Jesus. Yes, Jesus loves me. And little ones will be loved. Yes, Jesus. Restore him, Lord. Make him all the way whole, Jesus. Yes, Jesus loves you, Chuck.

Come on, hug somebody's neck tonight. Tell them you love them and Jesus loves them. I said, Jesus loves me. Yes, I know. Yes, he does. He loves you. And I love you tonight.

Come on, tell somebody Jesus loves them. Hug your neck tonight. Lift all the way to Him below.

[83 : 32] Oh, God. Oh, God. Somebody shout. Oh, come on. You knew better than that.

Oh, God. Yes, Jesus. Come on. The Holy Ghost is in here. Walk over and have somebody's neck and let them tell them Jesus loves them tonight.

Come on, tell them Jesus loves them. And you love them tonight. For the Bible tells me so. Jesus loves me.

This one thing I know. For my Bible tells me so. And all the little ones to Him belong.

Because they are weak. But Jesus is strong. Yes, Jesus loves me.

[84 : 38] Oh, yes. Yes, yes, yes. Yes, somebody shout yes. Yes. Church, the Holy Ghost is in this place strong.

Come on. Come on. Jesus loves me. Just put your arms around somebody and tell them you love them tonight. Come on. Hug somebody. Let them know Jesus loves them.

Let them feel that love from you tonight. Let that Holy Ghost. Come on. Let that Holy Ghost connect with their Holy Ghost. Let the Spirit of the Lord is in this place. In the name of Jesus. In the name of Jesus.

In the name of Jesus. In the name of Jesus. In the name of Jesus. May the Holy Ghost is in here. Oh, yes. Jesus loves me.

Come on. Shout it out tonight. Yes. Jesus. He loves me. Woo. Yes. Jesus loves me.

[85 : 44] The Bible. Woo. You know why you don't read your Bible? Because the devil don't want you to read it.

Because if you read it, you're going to find out that Jesus loves you. Amen. He don't want you to know that you're loved. He wants you to think that nobody loves you.

Hallelujah. Hallelujah. The Bible said that God is love. Woo. Oh yes, Jesus loves me.

Oh yes, Jesus loves me. Oh yes, Jesus loves me.

Yes, He does. To stop now, tell me so. Oh, oh, oh.

[86 : 49] Oh, oh, oh. I'm going to die, I'm going to die. Oh yes, Lord. Yes, Lord.

Yes, Lord. Yes, Lord. The Bible tells me so. Oh yes, my Jesus loves me.

Yes, He's mine and He loves me. I love you, Jesus. Yes, Jesus loves me.

Oh, His word cannot lie and it tells me that He does. Oh, Jesus loves me.

Yes, I know. Oh, the Bible tells me so. Little ones.

[87 : 56] Little ones. How many is the little one here tonight? How many is the little one here tonight? Honey, let me tell you what. Glory to God, I'm one of the smallest one here.

That's why I know Jesus loves me. Woo, that's why I know Jesus loves me. That's why I know I don't have to wonder. I don't have to doubt. My God, He's a loving God. He's a saving God.

He's a healing God. He's a keeping God. And He loves me. And He loves you. Woo, hallelujah. The Bible tells me so.

John 3, 16. For God so loved the world. For God so loved the world. For God so loved the world that He gave.

What did He give? He gave His only Son. His only begotten Son. Woo, hallelujah. That whosoever believeth in Him.

[89 : 00] Do you believe tonight? Do you believe tonight? We got eight believers here tonight. Let me see you in here. We got some believers here tonight. Whosoever believeth in Him should not perish.

Didn't say they wouldn't. Said they shouldn't. Shouldn't perish. But should have eternal life. And this is eternal life. That I might know the Lord.

My Lord. That I might have a lasting relationship with Jesus Christ. A lot of folks have a Saturday night relationship. Come to church on Saturday night saying, Oh, how I love Jesus.

Go out the rest of the week and say, Oh, how I love the devil. Amen. Hallelujah. But the same God that I love on Saturday night.

Same God loves me on Sunday morning. Same God loves me on Monday and Tuesday and Wednesday and Thursday and Friday. Amen. Do you know why? Because the Word of God says, My God is love. He is love.

[89 : 58] That's His very essence. That's what emanates from Him. If you ever get close to God, you've got close to love. If you fast, somebody says they got God, they ain't got love. Honey, they're just alive. And the truth is not in them.

Somebody shout amen tonight. And the truth is not in them.

Oh, yes, Jesus loves me, and the Bible tells me so.

You know, there's folks here tonight that have financial problems. There's people here tonight with spiritual problems. And there's people here tonight with family problems.

Your husband, your wife, your children, maybe they tell you they don't love you no more. They don't want you no more. Hallelujah, but I like what the Word of God says.

[91 : 17] Hallelujah, Jesus said, I'm a friend that sticks closer than a brother. He said, I'll never leave you. I'll never forsake you. Oh, one time David was trying to get away from the Lord. He said, where shall I go to get away from thy presence, God?

Lord, if I send up into the heavens, thou art there. And if I make my bed in hell, Lord, thou art there. You know what that's telling me? Let me tell you what. Surface relationships may not last.
