Preacher: Bishop Shane Calhoun

[ 0 : 00 ] I've got a simple message called let us go on. Let us go on. Let us go over. Let us get through this. And let's position for what God has for us.

And so this message that I'm about to preach, I'm going to give it to you the way the Lord gave it to me. I was in Alabama and I was with my executive pastor and he was preaching.

And you know, the enemy will hinder you. Every way that he can. Well, there is some friends of mine that was in the meeting. They have a little girl who's a toddler.

She don't go to men. But she come to me and she stayed in my lap the entire service. Now that didn't bother me. I just prayed over her while I had her in my lap.

And I've never had this kind of experience before. But while I was holding her, I went into a vision. I left the place.

[ 1 : 02 ] I don't remember what Pastor Greg was preaching or saying except one scripture out of Romans chapter 8. And I went off into the spirit realm immediately.

And when I come to myself, I didn't know where I'd been. But I had typed on my phone this entire message. And in the middle of the message, when I went back to review everything that I typed, it said, set free church.

Good God Almighty. I'm telling you, the anointing of the Lord is speaking to us in this building today. And I want to give him honor most of all for being with us and being present in this service.

Would you just lift your hands and say, thank you, Holy Spirit, for your power and your anointing and what you're about to say to us. Let it not only enter our hearts, but let us get this and let us run with it.

In the name of the Lord Jesus. It's always a great honor to have my precious family. My daughter Brooke, stand up. Maybe let me see how pretty you are. And you boys stay away from her.

[ 2 : 07 ] Amen. I still got a fighting Holy Ghost. Amen. My little boy, Caleb, stand up, son. I don't make him dress that way. That's his choice. He loves to be a preacher, he says.

And I pray that he's a doctor or a lawyer or a football player, a baseball player. I certainly don't want him to be a preacher. I'm telling you. But it's good to have him. My sweetheart, my beautiful.

Oh, she makes me look good, don't she? Rachel. This young man on the end is like my son. I used to stay with his parents when I preached revivals in their area.

They had a boy. I remember when she was carrying Philip. His mother, when she carried him. And he's grown up and he's become a minister. He's an evangelist. He'll leave tonight after service going to Louisiana.

Philip Tapp, would you stand up and let everybody see you. He's anointed by the power of the Holy Ghost. And he's one of them Pentecostal preachers. Amen. Take your Bible. Go with me to the book of Joshua, chapter number one.

- [ 3 : 06 ] I'm going to get through this as quick as I can. I don't want to hold you all day long, but most of it. I'm kidding. Don't backslide. Folk don't like to stay all day anymore.
- Don't even have a Sunday night service and can't stay all day. Blows my mind. Amen. Joshua, chapter number one. Let's look in the word. Verse one through verse six.
- Let us cross over. Let us get over this. Somebody look at your neighbor and say, get over it. Whatever's in your mind that is hindering you, get over it.
- It's time to get past it. It's time to move on. It's time to get over it. Let's look here. Chapter one, verse one. Now it came about after the death of Moses, the servant of the Lord, that the Lord spake to Joshua, the son of Nun.
- Moses' servant, saying, Moses, my servant, is dead. Now, therefore, arise. Somebody say, arise and get over it. We've lost our Moses, but now it's time to run with the vision that our Moses left behind.
- [ 4 : 15 ] Man, I feel this in my spirit. My servant is gone. Now, therefore, arise. Cross this Jordan. You and all this people to the land which I am giving to them for the sons of Israel.
- Somebody say, when you move, God moves. God has a promise and God has a destiny for this church. And the enemy has done everything he can to stop it.
- But while I was in that vision, I seen Pastor Steve. And I seen him say, carry on and get over it and get it done. That's exactly what I heard him say.
- And I've come by here to tell you it's time to pick up the pieces. It's time to run. It's time to get over it. And it's time to go into the promise and go into our destiny.
- We have mourned long enough. Now it's time to celebrate and run with the dream and run with the vision that God birthed through our Moses by the name of Pastor Bowen.
- [ 5 : 16 ] Come on. He would want us to run. He would want us to keep the vision alive. He would want us to keep on fighting the fight of faith and keep pressing on toward the mark of the high calling which is in Christ Jesus.
- Now there's no disrespect, but God's raising up a generation in this church called the Joshua and the Caleb generation. Somebody turn to your neighbor and say, I'm going to be a part of that generation.
- I'll get there in just a moment. It's time to cross over this grief. It's time to cross over the loss of this and the loss of that.
- God had a plan and he left you in charge of it. Are you getting this? God has left you in charge of something great that a man built by the vision hinged on the presence and the power of the Holy Ghost.
- It's time for us to shake ourselves off and say, nothing is going to hinder me from this point on. It doesn't matter who comes.
- [ 6 : 20 ] It doesn't matter who stays. It doesn't matter who goes. We're going to keep on keeping on for the kingdom of God. We're not retreating. We're not backing up. We're not sitting down. We're certainly not shutting up.
- God birthed, hallelujah, set free church years ago and God said, it's going to keep going until I return. Somebody shout amen. But God's got to raise up some Joshua's and some Caleb's that's willing to run, willing to fight, willing to cross, and willing to obey the voice of God.
- Hallelujah. Moses, he was gone and the people said, our patriarch, he's gone.
- What are we going to do now? It looks like that all hope is lost. Who's going to lead us now? And we're in that season right here now.
- Who is going to lead us into the destiny? Who's going to lead us into the promise? Who's going to complete the mystery of this ministry?

[ 7 : 27 ] Who's going to complete the work that God started? Can I tell you who's going to complete it? It's not going to be completed on a man or a woman or a personality, but it's going to be completed on the wings of the Holy Ghost.

Somebody raise your hand and say, I'm going to keep on running. Hallelujah. And I'm not going to quit. I'm going to let the Holy Ghost ordain my step. For the Bible said, the steps of the righteous is ordered by the Lord.

God wants to order us, but we've got to get up and we've got to move. Now, before I get too happy, what is the hindrance that's before you?

What is the thing that's in front of you? What is this that is stopping you from fulfilling the vision that God gave you? What is it? Is it mental?

Is it physical? Is it spiritual? Is it financial? What is keeping you from your full potential? What is this thing that has been hindering you throughout the years and holding you back and keeping you from fulfilling God's plan in your life and in this ministry?

[ 8 : 42 ] What is it? Think about that for just a moment. But take an inventory. What is the thing that you keep on fighting day after day, night after night, week after week, month after month, and year after year?

You just can't seem to get past it. What is it? When we look at this story, we find people that were so discouraged because now they're standing at a river.

They've been given a promise, but they just cannot see it coming to pass because their pastor, their leader is gone.

What are we going to do with this? And Joshua is in an old canvas tent, and I believe that he was probably upon his knees.

He said, Lord, what am I to do with this? Come on, somebody. What are we going to do with this?

[ 9 : 49 ] And God began to speak to him. And this is what he said. You go tell the people to get ready because we're getting ready to cross the Jordan.

We're getting ready to go to Jericho. And we're going to possess the city after we possess the water. Come on. I'm looking at some folk, and I want to encourage you.

It's time for you to get up and cross this thing that's been hindering you all of these years. Get past it. Get over it. Well, I'm mad because so-and-so's not here.

I'm mad because this one's gone. Get over it. Get over it. Get past it. It's time to run with the vision that Pastor Steve left behind.

It's time to go on. It's time to get up. It's time to go to work. It's time to finish that that was started under the Holy Ghost. So I'm going to finish reading this so you don't accuse me about not being a Bible preacher, okay?

[ 10 : 50 ] I've been accused of a lot of things, but I am a Bible preacher. Let's finish reading it. This is what he said. He says, Arise. Somebody tell your neighbor to say, Arise.

Cross this Jordan. And all these people and all the land which I'm giving to them, the sons of Israel. Now verse number three. Every place. Somebody say, everywhere you go is yours already.

You just got to get up and go get it. Come on now. Somebody say, all you got to do is get up and go get it. It's yours. It's already been put in front of you. Just get to it.

Quit making excuses. Every place with your sole of your foot treads. I have given it to you. I have given it to you just as I spoke to Moses.

Just as he spoke to Pastor Steve. I've given it to you as I gave it to him. I've given it to you. What are you going to do with it?

[ 11 : 49 ] Now let's finish reading. This is what he said. Verse four. From the wilderness of this Lebanon, even as far as the great river, the river Euphrates, all the land of the Hittites, and as far as the great sea toward the setting of the sun will be your territory.

Now I want you to put your hands up like this. And I want you to see as far as you can see. That's your territory. When you walk out of this building, put your hands up like this.

Look out across the sea. Look out across the land. Look out across the mountains and say, God has already given me this. All I got to do is get up and possess this. Come on.

I wish somebody would help me and somebody would get it. All we've got to do is get up and make a declaration of faith. And say, I'm coming. I'm taking it. I'm going to get it.

I'm going to possess it. I'm not only going to possess it, but I'm going to repossess it. Come on. Time to possess the land. Time to cross.

[ 12 : 54 ] It's time for possession. It's time for repossession. It's time to take back what the enemy has taken from us. This is our season to possess and repossess.

Notice I put the word repossess there. There's things that you had that you lost. You're going back to the enemy's camp and repossess what belongs to you. Because Jesus is the judge.

He's already signed the petition. He's already signed the warrant. Go get it. Hallelujah. I'm going to jump through some scriptures because I want you to put some things in your spirit.

Number one, possess what God has given you possession of. Now let's go to Romans chapter 8, verse 18.

The apostle Paul. We're in the New Testament. Now those that don't like the old, now we're in the new. We're where you're at. For I reckon, I consider that the sufferings of this present time are not worthy to be compared with the glory, the anointing.

[ 14 : 00 ] That is to be revealed in this church. Come on and help me. How many of you have been going through some suffering? Been going through some pain?

Been going through some heartache? Been going through some disappointment? Hallelujah. Can I say this to you? For I reckon that the suffering that you're going through right now is not worthy to be compared to the power and the glory and the anointing and the blessing that God is about to pour out upon your life.

God's about to give you double for your trouble. God's about to turn things around. He's about to give you possession. He's about to give you power. He's about to give you authority and dominance to possess and repossess.

Come on. For what you're going through is a senate for what God's about to do. Hallelujah.

I've gone through the valley. I've gone through the trials. I've gone through the tribulations. But I'm coming out because if God be for me, who can be against me?

[ 15 : 09 ] Hallelujah to the Lamb of God. I reckon the sufferings of this present time is not even worthy to be talked about, but to be experienced.

Because God is about to give us the power and the authority to do great exploits. If we will just get up and move and fulfill what God has called us to do here at Set Free Church.

Hallelujah. I believe it was just a few weeks ago you preached on the carriers of the anointing. I'm telling you, if God's not trying to talk to this church, I don't know who he's talking to.

He's telling you that you are a vessel that carries the glory. You're a vessel that carries the honor. You're the vessel that carries the oil. You're the vessel that carries hope.

You're the vessel that carries joy. You're the vessel that carries peace. You're the vessel that carries miracles. You're the vessel that carries salvation. You're the vessel that carries deliverance.

[16:14] You're the vessel that God has chosen from the foundations of the earth to be carriers of the glory and the anointing and the power of Abba Father. Come on and give him praise.

Woo! Hallelujah. I reckon what you're going through doesn't even compare to what God's about to do through you and in you and around you.

He thought he had you because he was a carrier. Of the anointing God gave you a miracle. Hallelujah.

He gave you joy for your mourning. Gave you beauty for your ashes. And he turned the thing that the devil meant for harm, he turned it into good. Because somebody possessed a miracle.

Because somebody repossessed their health and said, I'm not going to die, but I'm going to live to declare the works of the Lord. Hallelujah. I feel the glory of God. Hallelujah.

[17:14] Just a few weeks ago, there was a young lady coming to our church. And God began to move. Normally on the field, I work in the gifts. But when you pastor people, it's hard to work in the gifts.

You teach them how to work in the gifts. She walked in that place. She was totally blind. Had a tumor on the side of her head. She comes to the front.

She says, I need a miracle. All I can say is you're in the right place. Because I believe in the power of possessing the miracle. And I believe in the power of repossessing her health.

Amen. Amen. Amen. Amen. Amen. Amen. I believe that tumor was nothing to God but like a little headache. Come on. And she was standing there. And I prayed for her. You know what the Lord said to me?

He said, now walk away from her and let me have it. Oh, God. God's already told you, let me have it. And you can possess it. You've got to go get it if you want it.

[18:13] He said, now you just walk away. Pray for everybody else while I'm taking care of her. So there was some gathered around that young lady. I was toward the back. And there was an Iraqi soldier who had been in Iraq.

And he had some mental oppressions. And he was having terrible dreams and couldn't sleep. And I called him out. I said, son, I said, you've been through some traumatic experiences. You've not been able to sleep.

You don't have peace. You're troubled. You're tormented. I said, but thus saith the Lord God of Abraham, Isaac, and Jacob, this night, you're going to go home. And you're going to sleep in peace. Your mind's going to be upon the Lord.

And you're not going to be robbed from your sleep. And you're not going to go crazy. You're not going to lose your mind. You're going to snap out that depression. And I said, you're going to be made whole by the power of God. Not by my words, but by his word. Somebody say, just possess it.

Just go get it. Just do it. Just get it done. Get past your feelings. Get past your emotions. Get past your trauma. Get past your turmoil. Get past your depression. Get past your anxiety.

[19:10] Get past your fear. And just start doing what God ordained you to do from your mother's womb. While I was praying for him, he goes down the floor.

This girl over here in the corner screams, I can see. I mean, they had a hallelujah heyday. You hear me? They had a holiness conniption.

Anybody know what that is? That's a country term for fit. Son, they had a conniption. You hear me? I mean, it got out of control. You wouldn't have been over there, Brother Mark. They was kicking shins and everything.

Hallelujah. That's a good time to hide. And so, she's over her huckabucket and is shouting. Finally, she gets so drunk, she just falls down. You ever been that drunk before? Don't answer that question.

Only if it's the Holy Ghost. Amen. I've been so drunk on the Holy Ghost, didn't know where I was. I've been drug out and put in the back seat of a car and took to the hotel and put to bed. I want some more of that, don't you? But anyway, what I'm saying is, when you know who you are, and you know what God's called you to do, and you have a vision, you can't perish, but you fulfill the vision.

[ 20 : 18 ] The gift of God is in your life. What God wants to do for this lady, someone has the key and the power of possession to help her get through what she needs.

Look up here a minute. I want to get you focused. It's not on a man, but it's on the man named Jesus. For too many years, we have focused on our Moses.

I'm not being rude. I'm not being disrespectful. But we have always seemed to depend on the hand of a man. Can I just get real? We got all kind of people here, so I'm going to put it out here.

We depend on our bishop, our prophet, our apostle, our pastor, our evangelist. We're depending on everything but the right thing, and that's why we're being hindered from doing what God wants us to do.

The next great move of God that comes is not coming through personality. It's not coming through a person. It's not coming because of an organization. It's coming because people are tired and sick and tired of being defeated, and they're ready, and they're hungry, and they're thirsty, and they want a fresh move of God.

[ 21 : 29 ] They want the real thing, and they're willing to say, God, use me. Lord, use me. Lord, use me. Have your way. Have your will in my life, God. I'm ready to be somebody in the army of God.

I'm ready to do great exploits. Next time I come, I'm bringing my motorcycle and riding with you, Doc. I got a leather vest and an orange one, too. I love to ride, Clyde.

I'm telling you. My best message is on the back of that motorcycle. It's called Iron Horse Therapy, and I like to ride after Sunday. After everybody's giving me a hard time, I like to ride.

It's me and Jesus. And God's looking for just normal people like you. And God used a normal man like Pastor Steve to birth something that hell can't shut down or stop.

I'm telling you. I'm telling you. Do you know how this young lady has made it? Her trust is in God, not in man. Her trust is in the God that heals the broken heart, in the God that gives peace of mind when you don't understand why, God, you did that.

[ 22 : 48 ] I went through that season. Why, God, did you take my friend? He's been good to me. I mean, we weren't friends long, but it was like we were friends for life.

Sent me to the Dominican and paid everything because he couldn't go. I said, I got the money, I'll pay, but I was given strict orders not to spend my money.

I mean, raked over the coals. Couldn't nobody do it like Pastor Steve and do it and make you feel good about it, you know. But it was hard to get through it.

And I made this statement to some friends and even to Pastor Lamar. I said, I don't have the heart to ever preach there again. Now, I'm being real with them. I'm being transparent.

We're not all superstars up here. You hear me? I hurt just like you hurt. But I have chosen to get past my hurt and make sure that the vision, hallelujah, and the ministry that God has placed upon this house is continued without waiver, without stopping, and without, hey, God, help me.

[ 23 : 58 ] I've come by here to tell you it's your job. Not anybody else is to carry this ministry on to its fullest potential in the kingdom of God. Tell your neighbor, say, get up and cross over this.

Now tell them this, you can do better than what you're doing. That's hard pastoring preaching, amen. And you remember that all you're going through is setting you up for the greatest comeback of all time.

Psalms chapter 30 verse 5. David says, weeping may last for the night, but joy comes in the morning.

Revival is coming to set free. Breakthrough is coming. Healing is coming. Deliverance is coming. Miraculous is coming. The kingdom of God is coming and going to set in the midst of this congregation.

If this congregation will shake itself and move toward the prize of the mark of the high calling, which is in Christ Jesus. Isaiah 61 and 3.

[ 24 : 56 ] I'm almost finished. Just give me another few minutes. How many of you will give me five minutes? 5, 10, 15, 20, 25, 30, 35, 40. Praise God for another hour.

I'm just kidding. I won't leave. Isaiah 61 and 30. The prophet Isaiah says, to appoint to them.

Somebody say, there is an appointment for us. There is an appointment for us that are in ashes. God has an appointment to make it beautiful.

And I dissect the word for a minute. For God will give beauty for ashes. He will give oil of joy for mourning and crying and weeping.

The garment of praise for the spirit of heaviness. That they might be called the trees, the righteous, the planting of the Lord. I'm reminded of an old song. It says, hallelujah, I shall not be moved.

[ 25 : 59 ] Just like a tree planted by living water. I shall not be moved. I've come to tell you, God's ready to put you in the dressing room and put a garment of praise, a garment of power, and a garment of possession, and a garment of repossession upon you.

Woo! Hallelujah. I'm almost the glory, the anointing. The greater of God is coming. The beauty is coming.

The oil is coming. The garment of praise is coming. Set free. You can't set down now. It's coming. It's not the end of the road.

It's not the end of the track. Set free. You're going to keep on keeping on because God birthed this through the flames of the Holy Ghost. Get ready.

Get ready to possess. Get ready to repossess. Get ready to carry the anointing. Get ready to cross over every obstacle that the enemy has put in your way. Get ready. Get ready.

[ 27 : 00 ] Get ready. The greater glory is coming to this house. Haggai 2 and 9 says, I'm the glory of the latter house, of this house, the last house, not the house years ago, but the years.

Hallelujah. That are to come. The glory shall be greater now and greater then than it ever was because Jesus is head of the house of God. Help me now, son.

I feel a little Pentecostal G. Come on. Somebody clap your sanctified hands like you got the devil between them. Tell your neighbor, I'm going to go on. I'm going to keep on keeping on.

Nothing going to discourage me. Nothing going to stop me. Nothing going to shut me up. Nothing going to set me down. I'm going to do what God trusted me to do. Glory to God.

I'm going to tell you about the Joshua, the Caleb generation. They go in in the book of Numbers, 12 men to spy out the land.

[ 28 : 04 ] Ten comes back and says to Moses, the grapes are plentiful. I've never seen such fruit.

It's three, four, five times bigger than anything I've ever seen. But there's a problem. God likes to work when nothing else will. There's a problem.

There's giants in the land. Woo! I like to fight, don't you? And I don't like to fight or run. I'm going to fight somebody big. Because the bigger they are, the harder they fall.

I don't look like I can handle much, but I can handle it. You hear me? I was raised in the Pentecostal movement, and I got a fighting Holy Ghost. I don't take nothing from the devil. You hear me? I'll load his wagon and circle his track.

You hear me? I'm like a steamroller, baby. I'll go up this side and down that side, and he'll know I've been there. Come on. And he'll know my name when I'm finished with him. Help me preach. But I'm looking at some people in this house that God's going to give you your fight back.

[ 29 : 11 ] You can't whip a giant if you ain't got no fight. But I want to give you a phrase that drove me absolutely crazy. I preached it for years.

Here is a phrase over in the book of Numbers. I want you just to write this down to read later. Over in Numbers chapter 13, verse 25.

But down here in this 30th verse is you and me. Pastor Mark, I'm about to fly away. I feel one of them coming on.

If I go up, somebody grab me by the ankles because I ain't ready to go yet. I mean, I'm saved. I just don't want to leave yet. But catch this thing. Pastors, y'all ready?

I feel like Elvis. I'm getting all turned on up here. Hallelujah. Look up here. When God gave me this, this is what he said, Pastor Mark.

[ 30 : 07 ] He said, it only takes two to fight. You don't need the ten. You just need two that'll stand with you. Because there's power in agreement. And if two or three, hell.

Y'all ain't ready for this. If two or three shall agree on whatever they're praying, whatever they're touching, it shall come to pass if thou canst believe.

But this very phrase, I'm about finished, I promise. This is what it says. You need to write this down. You need to highlight it. Caleb told the people.

I'm just going to tell you like it is in the south. Shut up. You chicken. We're going to possess because God told us we could. I don't care how many giants is in the way.

I don't care how many obstacles are in the path. Me and Caleb are going to take what God promised us. Somebody needs to get a backbone like a saw log.

[ 31 : 08 ] You need to get a made-up mind. And you need to get a pressing spirit that you're going to do this thing that was birthed by the Holy Ghost. Let me give it to you. Caleb quieted the people before Moses and said, We should by all means.

Somebody say, with everything within you. You need to take this church by the horns. And you need to drive it to the finish line. Hallelujah. He says, We should by all means go up and take possession of it.

Here it is. For we will surely overcome it. Everybody say, that's for you, baby. Go ahead and play softly.

I'm coming to a close. I'm going to land this 747. We shall surely overcome this. What is this?

What is that? That's been keeping you from your fullest potential. What is it that has discouraged you from coming to church? What is it that has discouraged you from paying your tithes and offerings?

[ 32 : 15 ] What is it that has discouraged you from praying and fasting? What is it that has discouraged you from working in this great church and making it greater and better than it ever has been?

The vision has already been set. It's already been established by our Moses. He's gone. But I know without a doubt that he trusted you with it.

And we shall overcome this. We shall cross this. And we shall overcome this. Woo! I feel it.

I wish you could see it the way I see it. I see this morning a troop of demons out there saying I'm going to sideline set free.

I'm going to shut them down. I'm going to shut them up. I'm going to show them who's in charge. I'm going to cause confusion. I'm going to cause chaos.

[ 33 : 22 ] I'm going to cause discouragement. And I'm going to get them to fight among themselves. I'm going to get them to hate one another. I'm giving you what the Holy Ghost has given me.

I'm going to do everything I can. To stop the vision that God gave Pastor Boyne. I'm going to stop it.

But as a Joshua. That's me. As a Caleb. That's you. We're going to do what the devil said we can't do.

We're going to take this city. We're going to take this community. We're going to take back our family. We're going to put an end to the discouragement. We're going to put an end to the confusion. We're going to put an end to the quarreling.

We're going to put an end to the fuss. We're going to put an end to the fight. We're going to keep on keeping on until Jesus comes. And we're going to keep on. Keep on declaring the name of the Lord.

[ 34 : 24 ] We'll not be quieted. We'll not be shut down. We'll not be shut up. We're going to overcome this. We're going to overcome it.

We're going to lock arms. We're going to take it by force. What the enemy meant for harm. God's going to turn it into revival. Breakthrough. Manifestation.

I'm going to be a vessel of honor. Aren't you? Y'all hold on to each other and keep walking. Will you? Pick up a few along the way. Let the Holy Ghost tell you to pick up. I come to declare.

And I come to decree this day. That the battle is over. And the victory flag has been raised. And we shall raise the flag of victory together.

In one mind. One accord. In unity. And in holiness. Through the power of the Holy Spirit. We shall overcome this.

[ 35 : 34 ] They're not going to take our song. You hear me? We're going to sing a new song. If he takes that song. We'll just write a new song. I'm not going to quit making a noise on the loud sounding cymbals.

I'm not going to quit making a noise on the string instrument. We're going to let everything that hath breath in this house. Praise.

Praise. Praise to the Lord. We shall overcome. We shall overcome this.

There's nothing too big for our God. He's able to do exceedingly, abundantly, above all that we may ask or think.

Yes, Jesus. Yes, Jesus. Come on. Keep singing your song. Don't ever stop singing it.

[ 36 : 47 ] I preached a message in a convention years ago called Praising the Devil Away. You sing when he don't want you to sing. You shout when he tells you there's no reason to shout.

You leap for joy when you don't even feel any joy. Come on in this house. Come on in this house. I like what the word says.

Let the redeemed of the Lord say something about it. Come on.

We're past it.

We're over it. We ain't forgot, but we're past it. Anybody? Help me, Lord. Anybody thought that she was going to quit and die in the grave is wrong.

[ 37 : 49 ] She's going to live and continue the work that her husband started. My God. She will overcome this.

My God. And she will keep on leading this. Can I say it like this? I'm not concerned who's going to take the ham of this church. You know why?

Because the Holy Ghost had it long before man had it. And he's going to complete that that he started. Oh, God. I come to lift her hands and say, you're going to take the city.

Pastor Donna, you're going to take the city. You're going to take the land. You're going to take the vision. You're going to run with it. It's not important who's in charge as long as the Holy Ghost is in charge.

But I want you to tell somebody, you will overcome this.
