[0:00] The last two verses of Isaiah chapter 58.

The last one is the last one.

The last one is the last one.

The last one is the last one.

The last one is the last one.

[2:31] The last one is the last one. The last one is the last one. The last one is the last one. The last one is the last one. The moral law which consists of the Ten Commandments.

The last one is the last one. The last one is the last one. The ceremonial law. The last one is the last one. The last one is the last one. The last one is the last one.

The last one is the last one. The last one is the last one. The last one is the last one. So, there was a lot of desires that were growing up. The last one is Jesus.

And then, here is what thou hast thou sh ■■■■■. And there is nothing being able to learn. grasp6 The moral law tells us what is required of us as men in our relationship to God.

It tells us how we should walk and the holiness which God requires of us. Sashangara, ha lochna mogalman kuna aharuchagh. Bani again margane, agus kati kahaaruchagh edh.

[4:12] Atse visant nartane, themishan kuna vi mursht, themishan kuna vi tanu agaltranas, kuna vi kishu vidhiak, kuna vi kleiughna saapet, kuna vi tanu tjallavanan snaithya, kuna vi sauntach.

Laug, laugna mogalman, na khkavaharuchem. Agh va lochna nyesgnahan, eit rialiht, eit a ceremoni law was different. Shara ut a vawm, ewe dhe gudit khosh, eirso n'uun ygudit, gos indikiga messia.

Agus va lochna nyesgnahan, eis shoulitin, maravatuny kavi, rrehti tjee, maravatut olienu iperst, agus maravatut olienu öre. Agus va na hiperien, eit ursht kthiost ifar kond.

So no, eit haanik kthiost, gha i lochna mogalman, uchid amachas aagte, marhaniidhinik ra, na bita dolka heng, eit ursht jomachru, ta hatukalavli, it was put out of gear, sheshenishu shroota hedara, it was moved aside.

Oith haanik kviost, ewa kolanik na nichanshan, achalokhna mogalman, is sheshu haast, agus adagainu chagain, as inhimanuk muag. Ha isak in kuro, nefarasi, eidhimu xosu acharuch, achas te lochna mogalman.

[5:23] Ba atith doionlan, eirso na vi tekega machas uchulahane, sara na vi tekega machas indahapet, sara na vi, ta tinimachavit orshtjuram urum gata vahad, agus gata vahad, agus, eitianu agaltranas, sukhulahni va shen vate dahanharuch, aga horstjithne loganan chan, neisharutinant, achsha.

Dwona, dwva mui, hulatu goronka dianun apetheunna vat, aga saunna njimaghtai, achsanu vaat gafuaskluhain marangheetna, as nukua chyna valai arrahen. They found a very mysterious and devious way of binding burdens on other people's backs, but somehow escaping from the main, requirement of the commandment themselves.

And you'll find that that's often a characteristic of the Pharisee. He will escape the main thrust and encrust himself with other things that make him look even more pious. Agus, centi iddoch mara vahad.

Nish, van hir, na bentin gomord, dhe si sas anhyaraman chygegeheun. Agus, as anhyaraman anmulloch na bain, gus orit, the Sermon on the Mount, te eitelik, dhe eit, dhe eit loich na mogulnad.

Dhe eit doa, eis e bilo torrgulmach agh daahas, da bahas, gynna vi mursh na marag, gynna vi tianu aggalarnas, mursh anna dursht. Agus, hei margibitu glanagalag, gwa nurut, gynna vi mursh anhyaraman, eit eit, gus tiemich halad.

[6 : 44] Agus, gaa eil, gynna vi tiaahad, agus naglanyad, mara van gruughe yagheyn, eit eit, gorsh gyn, sa isa kukudrina shen, gus orit, anna daim, dhe eit, gynna vi tiaapad, gyr trich, gwaay, gynna vi mursh anhyaraman, eit, agus, gynna vi tiaas, anna daim, dhe eit, dhe eit. give■■■■, gus, gye, gus, Gys, gyr, gynna vi mursh anhyar Raven. Gys aame, gynna vi hiy ota, gynna vi tiaah Ven.

Gynna vi sien, gynna vi, eit, gynna vi mursh anhyaraman, gynna vi ha New applyan, Other people call Josh, not this talk, n̄eigni chynnav, and 2000 bells found a dwarf bell I have reached my heart to take off.

Now nothing, just our name is there and we will not be Johnson, but the statue god wrote occasionally revise the life support machine the days the■■■■ doesn't dread anders other others embryo lange Having a willing heart and mind is half the battle in understanding how to keep the Sabbath day.

We have a willing heart and mind is half the battle in understanding how to keep the Sabbath day.

[10 : 18] And the Sabbath day is half the battle in understanding how to keep the Sabbath day. We have a willing heart and mind is half the battle in understanding how to keep the Sabbath day.

We have a willing heart and mind is half the battle in understanding how to keep the Sabbath day. We have a willing heart and mind is half the battle in understanding how to keep the Sabbath day.

But the Sabbath day is half the battle in understanding how to keep the Sabbath day. The Sabbath day is half the battle in understanding how to keep the Sabbath day.

And the Sabbath day is half the battle in understanding how to keep the Sabbath day. And the Sabbath day is half the battle in understanding how to keep the Sabbath day.

And the Sabbath day is half the battle in understanding how to keep the Sabbath day. The whosoem it is so agile connected with dysp ■■■ aqui saying you don't want to wreck me like me or something like you.

[11 : 44] How old are you? It's a remarkable thing that the first thing which God sanctified was, in fact, time, a portion of time.

Well, as we finally had our own streams.

Well, as a member of His predecessor, it started to tell us that it was all the time to fall.
