[2 : 17] Die Haye des Sej stan!

I'd like to sing the spirit of me on Pans pergunta after hearing aids when I were so religious about God... Many of us perdu some of the leaders.

I'd say this truly And they say, he believes that he is equal to for his believers.

Where he believes that he will speak for your spirit, and he then understands that he will agree to us. And his believers continue.

How He says, billion in John are what he needs to do. Thank you.
