[7:47] We will not be aware of our own lives. We will not be aware of our own lives.

We will not be aware of our own lives. In this room, we will not be aware of our own lives.
We will not be aware of our own lives. We will not be aware of our own lives. We will not be aware of our own lives.
There are two women's lives. God how do you feel and take your hands or take your hands or take your hands or take your hands And your hands are open and take your hands And all of you are open and talk to your hands And want you to take your hands As in all of your actions, all of your actions are changed.
All of your actions are changed. All of your actions are changed. All of your actions are changed.
[9:19] All of your actions are changed. All of your actions are changed. Be welcome.

At that time, do not hear me. Let me tell you that I will see you in the morning.
Therefore, we will see you in the morning. Oh not with your respect. Oh not with your background.
Oh not with your background. Oh not with your background. Oh not with your background.
