Bluetooth Bluetooth
The last time you were up for up Bluetooth And I'd like to see what I was doing.
And I'd like to see what I was doing. I'd like to see what I was doing.
And I'd like to see what I was doing.
[22:40] And I'd like to see what I was doing.

I'd like to see what I was doing. I'd like to see what I was doing. I'd like to see what I was doing. And if you were up for years, you'd like to see what you were up for. You'd like to see what you were up for.
There is scarcely a month that the church is not wrecked by somebody.
That is the whole problem. There is always a somebody. If we were willing to be nobodies, the church would not be wrecked.
[23:57] This is what the church needs. Nobodies who have crucified their egos and left them on the far side of that great world of Jesus.

Let a man deny himself. The church needs to be nobody. The church needs to be somebody.
The church needs to be somebody. The church needs to be somebody. up
