[2 : 57] beautiful and beautiful to watch very beautiful It was it poorly until, as we put up here, and some out of here Not so stern itself flight We're going to take a look at the same time, and we're going to take a look at the same time.

We're going to take a look at the same time. We're going to take a look at the same time.

We're going to take a look at the same time. We're going to take a look at the same time.

We're going to take a look at the same time. And we're going to take a look at the same time.

We're going to take a look at the same time.

[5 : 20] We're going to take a look at the same time.

We're going to take a look at the same time. We're going to take a look at the same time.

We're going to take a look at the same time. We're going to take a look at the same time.

We're going to take a look at the same time, and I'm going to take a look at the same time.

That was good to talk.

[10:00] So if you say this, you will be switched again .

I am basically trying to explain the basics to learn how to write it into a description and the materials that they have are an application.

You now have papers looking at books for you to learn how to write it in the games. .
