Preacher: Rev Callum Macleod

- [0 : 0 0] Welcome to the Salam and the Salam of the Year. I'm going to talk to you about the Salam of the Year. Psalm 118, verse 17.
- I'm going to talk to you about the Salam of the Year.
- So, people who draw punishment were vegan, they actually had away the problems.
- So, that's when we came to us. It was difficult for us to seem to share the truth. It was difficult when we came to think about yourself. So, yes, it was difficult for you to do this at osho.
- According to Kholfeld, how am I talking about it they have the doors different from them. What do they think about theotical doors and things like that?
- [1 : 3 0] What beautyalkers do they have to do is make their doors attacks instead along with christmas. What they think really is a little too professional in Unternehmen sierra Then, we have the the theological and the solidarity the talk the i brows iipse the way it was in the meantime and the words they asked thean in the little and the little relationship and the little respect and the same and this thought I took the Bible and I was going to and then and then again I wouldn't and know that and then and again now diffic Hamberson
- After frustration We thought that there were many standings and we walked up this stage When the story was done We felt very badly a part-from a whole journey to really spot the opportunity There were a government hall Sayeds andair agreements while suprements ■■■■■■■■ more than one year.
- Then we were not there anymore. So that meeting that was interesting. Since everyone heard the stories in the world. When I tell younam consistently, I really give you courage because I■■■ my Ça seemed Welcome to the First Episode Museum Projecthi J.
- *** the Strider, the Devil talks about how different people know the situation.
- One day I have half an older kids who have the sights on working forms. And most of them, young girls, to many more cultures and countries or foreigners. And the clients that we use are using very much and learn how to handle the rest of them..
- [4 : 2 6] our ■■■■ guidelines are successful in the future. I told this girl wanted to borrow a baby Euh.
- With a child of her son I told her toka an enormous amount of work from a groom close to poetry.
- Amazing! What did you say to me? What did you say to me?
- What did you say to me? What did you say to me?
- What did you say to me? What did you say to me?
- [5 : 4 9] What did you say to me? What did you say to me in the year.
- Did you say something like that? What did you say to me? What did you say to me?
