... .. Jesus is saying, Father, if I die on the cross right now, I will go to you.

[13:42] I want the world to know of this and also my disciples.

... ..? Do you all know the purpose behind why Jesus died on the cross? 12 joy, joy, joy

Look at this. The 12 hours before his death, he was continuing to say and speak about joy.

... ..?

Do you know why Jesus, who never committed any sin, took the curse, the punishment of sin on the cross for us? It was to give us eternal joy, something that no one can take from us.

... .. It does not come from obeying the word.

[15:06] We are able to experience joy because of the cross of Christ. So try asking yourselves this.

... ..? Are you a person filled with the joy that the gospel of Christ gives??

Do you have the unstealable joy that came through the death of Jesus Christ? In reality, joy is very difficult to have.

... .. So many obstacles. Living in this world is very troubling.

First, the obstacle to joy is sin. After committing sin, David confessed his sin with Bathsheba and prayed like this.

[16:03] 10 51. In Psalm chapter 51 verses 12, he said, Restore to me the joy of your salvation and uphold me with the willing spirit.

David lost his joy with God because of his adultery, his lies and his murder. [1] And we can see in the history of the Bible that he lost his joy for around a year.

Is there anyone here who has lost joy for around a year?

I was so scared. What if someone asked me a question? The burger is so good. The sandwich is so good.

But what do I do if someone asked me a question? And that really took away my joy.

This is how our daily lives look like.

I've been struggling while living. I've been irritated angry and everything has been a mess. Why is that? Why is everything so difficult? Why is it so hard to be happy?

[25:59] Why is it so hard to be happy? Why is everything so difficult? Why is it so hard to be happy?

Why is it so hard to be happy?

Why is it so hard to be happy? Why is everything so difficult? Why is it so hard to be happy?

Instead of trusting in the righteousness of the gospel if we trust in our own good deeds this is why our joy disappears. Why is it so hard to be happy?

Even on the days when your life is broken and you have lost your joy you can still find that joy again. Why is it so hard to be happy? No one can take that away from you.

[27:14] It is well. It is okay. Why is it so hard to be happy?

Why is it so hard to be happy? Why is everything so difficult? Why is it so hard to be happy?

[35:32] We are forgiven and made righteous. We hold on to the fact that we have been given the close of righteousness.

We hold on to the fact that we have been given the close of righteousness. We hold on to the fact that even if we may be poor on this earth, we have the living hope in heaven.

[41 : 25] As we live as believers, it is dangerous for us to live as people without joy. This is a place where a church exists, it is dangerous for the joy to be lost.

When we live in a church, we have a joy to be lost. Through these trials, if we're able to keep the joy, this shows that us in Athens are overflowing with joy.

Even if we're going through these tunnels of hardship, if we're able to express our joy, this can be passed on to the next generation.

I hope that all of you will be able to show the joy even amidst the trials.

And I and Korea, even throughout the trials will show my joy. And that is our privilege of overflowing with joy.

[42 : 34] Let us pray. God, thank you for planting a glorious joy within our hearts.

even if there is troubles and trials on this earth. Thank you for giving us joy that cannot be taken away.

Help this overflowing joy be within our families, our homes, and work.

And I hope that this can be joy to you, God. And in the name of Jesus Christ. Amen. Amen. You've been listening to a message at a Sunday celebration at Trinity Grace Church in Athens.
