[0 : 00] This message was recorded at Vision Baptist Church in Alfred, Georgia. It is our prayer that you will be blessed by the preaching of God's Word.

If you have your Bibles, please open them and turn to Psalm 98, Psalm 98. Today is Celebration Sunday, and the theme that all of us students who are going to be preaching, we're going to be preaching of Psalm, and we're going to celebrate what God is and who God is.

God has used us and blessed us mightily. God has used us to plant this church and has blessed us with 11 years of ministry, and today we want to celebrate who He is.

And the theme of this song is a sing unto God, and it gives three reasons. It says sing unto God because He is a powerful deliverer, sing unto God because He's a great king, and sing unto God because He's a just and fair judge.

If you have your Bibles with you, look at Psalm 98, please, and it says, O sing unto the Lord a new song, for He hath done marvelous things. His right hand and His holy arm hath gotten Him the victory.

[1 : 08] The Lord hath made known His salvation. His righteousness hath He openly shown in the sight of the heathen. He hath remembered His mercy and His truth toward the house of Israel. All the ends of the earth hath seen the salvation of our God.

Make a joyful noise unto the Lord all the earth. Make a loud noise and rejoice and sing praise. Sing unto the Lord with the harp, with the harp and the voice of the psalm, with the trumpet and the sounds of the cornet.

Make a joyful noise before the Lord, the King. Let the sea roar in the fullness thereof, the world and they that dwell therein. Let the floods clap their hands and the hills be joyful together before the Lord, for He cometh to judge the earth.

With righteousness shall He judge the world and the people with equity. You see, it says sing unto the Lord, sing unto God. And the first thing we see is because He is the deliverer.

He was the deliverer for Israel and He's the deliverer for us. It says in Psalm 98, 1, O sing unto the Lord a new song, for He hath done marvelous things. His right hand and His holy arm hath gotten Him to victory.

[2 : 10] You see, time and time again, God delivers His people. God shows up and rescues His people. And He does it with His right hand and holy arm. Before Jesus is going up to heaven, He says in Luke 22, 69, Hereafter shall the Son of Man sit on the right hand of the power of God.

You see, the right hand, the right arm of God signifies His power. It's with His power that He comes in and delivers. He delivers us and Israel with His power. And He delivers us so that the whole world can know Him.

It says in Psalm 98, 2, You see, God shows His power through delivering His people.

We saw that in the story of Rahab, how she came to God. She came and she wanted to join up with Israel and serve God as her God because of what she saw that God did with the people of Israel and parting the Red Sea and getting them out of Egypt.

God wants the people to know about Him. God doesn't plan to hide Himself from the world and He doesn't want to. He wants to be known throughout the world and praised throughout the world. We can praise God today because of who He is as our Deliverer.

[3 : 25] He is the great Deliverer. Psalms 98, 3 says, He has remembered His mercy and His truth towards the health of Israel. And all the ends of the earth have seen the salvation of our God.

You see, we can also sing praises to God because He remembers His mercy and His truth. He doesn't forget His promises. He doesn't forget His mercy. He is full of mercy, full of compassion, and He will remember His promises towards us.

You can count on Him doing that. So you can sing unto God because He is the powerful Deliverer. But if you look in Psalm 98, 6, you can sing unto God because He is King. God is the King of the world.

It says, With trumpets and sound of the cornet make a joyful noise before the Lord, the King. You see, God is the one and only King. Psalm 47, 7 says, For God is the King of all the earth.

Sing ye praises with understanding. Whether you know it or not, whether you care to admit it or not, God is King. He is sovereign. He's in control. He's in charge of everything. He is the ruler of this world.

[4 : 28] He is the King. He created it all. It was Him who made it. So we should praise Him because He is King. In fact, this psalm commands us to praise it.

It says, Make a joyful noise in verse 4 unto the Lord, all the earth. Make a loud noise and rejoice and sing praises. You see, He wants the entire world to praise Him.

He wants the entire world to sing unto Him. He just doesn't want to select few people to sing praises. He wants all peoples, all nations, all tongues. He wants everyone to praise Him.

And He's worthy of it. He's done so much for us that He deserves our worship and our praise. One day, everyone will know He is King.

One day, everyone will confess that He is King. But I want to ask you guys who are here today, have you done that here? Because one day there will come a time where you no longer have the opportunity to do it.

[5 : 24] You'll be standing in heaven and you'll see Him as King. And that time it will be too late. I plead with you, accept God as your King today. Don't wait until it's too late. Don't wait until He comes back.

He is King. He is in control. And you need to realize that and accept Him. And the last thing we see is in verse number 9 of Psalms 98. It says, we see that we can sing unto God because He is the great judge.

It says, Before the Lord, for He cometh to judge the earth, with righteousness shall He judge the world, and the people with equity. You see, we live in a time and day where there's not a lot of righteousness and equity in our judging and in our leaders.

And throughout the entire world, you see corruption in leadership. You see problems developing. But that's not our God. We can praise Him because He's true. He's just. He's fair.

He judges with equity. He judges with righteousness. There's not another man that can say that. There's not another person that can say He always judges with perfect equity and fairness.

[6 : 29] But our God does. He does judge fairly. But He also judges with power. We see in the story of Zephaniah and in 2.11 it says, The Lord will be terrible unto them, for He will famish all the gods of the earth.

And men shall worship Him, everyone from His place, even the isles of the heathen. One day God will pour out His judgment on the heathen. One day those who worship other gods, who don't recognize Him as kings, will be punished.

And I hope you will not be in that group. Because one day He will fulfill His promise. He will come back. The day of judgment hasn't yet come.

The Bible talks about the day of the Lord, the day He returns, the day of judgment. And one day it will happen. Acts 17.3 says, Because He hath appointed a day in which He will judge the world in righteousness by a man whom He hath ordained.

And the question is, how will you be judged during that day? Will you be judged in your sins? Will you be judged unrecognized God as your king? Will you be judged looking at yourself or something else as king?

[7 : 37] Or are you going to today recognize God as your king? Are you going to recognize Him as your savior? Because, you see, you don't have to be judged in your sins.

God's made a way. We took God's perfect creation that He made and we messed it up. We call sin to come and we sin ourselves. And we are worthy of hell and death.

But God made a plan. Romans 3.23, a great verse says, Whom God hath set forth, talking about Jesus, To be the propitiation through faith in His blood, To declare His righteousness for the remission of sins that are past, Through the forbearance of God.

You see, when we recognize God as king, When we come to Him humbly, He gives His Son's grace, His Son's righteousness, And puts it on us.

It's no longer us standing before God in our sins. It's us being judged by the righteousness that is Jesus Christ. That's what propitiation is all about. It's not us, but it's Jesus Christ.

[8 : 38] It's His perfectness. It's not us. You see, you can receive this gift by confessing. We all know Romans 10.9, it says, If thou shalt confess with thy mouth the Lord Jesus, And thou shalt believe in thine heart that God hath raised him from the dead, Thou shalt be saved.

You see, just by confessing Him as king, Confessing Him as the Lord, And believing it in your heart, That's how you get saved. So if you're here today and you're not saved, And you haven't recognized God as your king, I would say, Please do so.

Because God is a fair judge. And a fair judge has to execute punishment. Oftentimes we get upset when a judge lets a murderer off with a very light charge.

Or we may get upset about a criminal not getting any punishment. But God isn't that way. He's fair and He's just. He does pay for it. He does judge sin.

And He does judge sinners. So the last thing I want us to see is we can have assurance that God will deliver you from judgment.

[9 : 44] There's a promise made in 2 Peter 2.9, The Lord knoweth how to deliver the godly out of temptation, And how to reserve the unjust unto the day of judgment.

So if you have accepted Jesus Christ, And you have confessed God as Lord and king, You can have confidence that you won't be judged. You will be saved in the day of judgment. So in this celebration Sunday, We have a lot to praise and celebrate God for.

We've got a beautiful building. It's brand new. We've got a lot of people coming. The Spanish church is growing. We're having more missionaries. We have a lot to praise Him for. And today we can sing a new song.

We can sing a new passionate song as it says in verse 1. We can praise God. As we sing congregationals today, Will you commit to as you sing, To think of Him as your king?

To think of Him as your deliverer? And to think of Him as a perfect and just judge? And the last thing, If you're here and you're not saved, It's not time for you to sing, But it's time for you to pray. Come to God and ask Him to forgive you.

[10 : 45] Go ahead and turn your Bibles to Psalm chapter 99. Psalm chapter 99. I mean, yes, I'm the one wearing Pastor Alston's tie that wore this morning. But I think we're helping each other out because he's given me the tie and now I'm not as liberal.

I'm more conservative. And he doesn't have a tie and he's more liberal. So we take care of each other that way. But go ahead. Psalm 99. And today I want to challenge you all to worship God.

I have a question. Do you praise God? Do you exalt God? God, we all know that we're supposed to. I mean, we know that the Bible tells us to. But if I were to ask you, If someone from your job or someone from anywhere else in your life that doesn't go to church here were to ask you, Why would you worship God?

What would you tell them? And Psalm chapter 99 doesn't give us all the reasons, But it gives us three really good reasons why we should worship God. In Psalm 99 verse 1 it says, The Lord reigneth.

God's in charge. He's the one on top. It says, The Lord reigneth. Let the people tremble. God's in charge. The way that we're supposed to respond to that is in trembling. We're supposed to tremble before our God.

[11 : 49] Which is, It's not the way we think, But it's the way the Bible tells us to think. Think about this. Everyone I meet, Us just talk about my work. I go to work, And it's Chick-fil-A. And there's a lot of people there that claim to be Christian.

And maybe they are, Maybe they're not. But here's the thing. I go to Chick-fil-A. I talk to my friends. I invite them to church. I invite them to youth. I try to talk about spiritual things with them. They don't want to talk about those things.

They don't want to discuss that. They don't want to talk about God. And it's like, They get enough of God. They get enough of Jesus. They get enough of religion to feel okay about themselves. To feel like, You know, They're going to go to heaven when they die.

But really, All they've done is just vaccinate themselves to the gospel. They're not really, It's not real to them. This Bible here, This verse one says, The Lord reigneth.

Let the people tremble. God is something that should really actually take effect in your life. It's something that should really actually scare you. The Lord is great. Verse two, The Lord is great in Zion.

[12 : 46] He is high above all the people. Let them praise thy great and terrible name, For it is holy. Psalm 114.7 says, Tremble, thou earth, At the presence of the Lord.

At the presence of the God of Jacob. When you come to the presence of the Lord, You know what you do? You tremble. If you find today that you have a hard time coming to God, And it actually affects you, And it actually kind of scares you, And God's actually like, God?

Then maybe you haven't been in His presence lately. He's great. The verse says that He's a great God. And that the people in Jerusalem, They worshipped Him.

The psalmist is writing in the day when Jerusalem, He was in the city of Jerusalem, He said, The people in this city recognize who God is, And how great He is. And today, I'd like to tell us all that we are all going to, One day, Whether we do now, Or later, Or want to, Or not, We're all going to recognize God for who He really is.

That He really is God, And that He really does reign. Isaiah 45.23 says, I have sworn by myself, The word has gone out of my mouth in righteousness, And shall not return.

[13 : 58] Listen to what I'm about to say. There's no take backs. This is true. It's not coming back. There's nothing going to change this. That unto me, Every knee shall bow. Every tongue shall swear.

One day, We're all going to stand before God, And all our knees are going to bow. And every one of us are going to swear that God is God, And He does reign. Whether you want to or not right now.

He is God. Not only is He God, But He's also just. He's a just God. He makes the right decisions. He makes perfect decisions. Verse 4, The king's strength also loveth judgment.

Thou dost establish equity. Thou executest judgment and righteousness in Jacob. Exalt ye the Lord our God, And worship at His footstool, For He is holy.

Our God is a God that loves judgment. For the king's strength also loveth judgment. Our God loves to make the right decisions. He's never made a bad decision. He is God.

[14 : 59] Deuteronomy 32, 4 says, He is the rock. His work is perfect. For all His ways are judgment. A God of truth and without iniquity. Just and right is He.

We serve a God who only makes right decisions. When I go to work, People are always questioning our bosses, The managers. They shouldn't do this. They shouldn't do this. You watch the TV. You turn on the radio. You hear people talk about politics.

Everyone is questioning. He has different opinions. He's right. He's wrong. It doesn't matter really. Our God is always right. He's always just. He always makes the right decisions.

You know, I used to wonder as a kid If my parents were making just decisions. I mean, really. I really didn't deserve a spanking Every time I got a spanking. But, you know, Just got to deal with it. Our God is a just God.

He always makes perfect decisions. The verse says to exalt Him. You know what it means to exalt someone? To exalt something?

[16 : 02] It's like to lift it up. To make it bigger. You know, People, Some people will only know About as much about God As what you show them. I don't know if that makes sense. But, people look at us As Christians.

We go to our jobs. We go to do our lives. We go where we work out Or whatever we do. Outside of our church And outside of around us here. People look at us. And as much as they know about God Is what you show them.

Because you claim to be a Christian. You say, I'm saved. And you say, I live for God. And so they look at your life And they say, okay. How do people live for God? And so the thing is, The verse says, Exalt Him for He is holy.

Let me ask you. How do you exalt God? Have you been exalting God? When you talk about God, Do you talk about God? What are you doing? Are you lifting Him up? Are you dragging Him down? Do you exalt God?

The verse commands us to exalt God. How can we not want to exalt this God? The God that reigns over everything. The God that's in charge. The God that is just. Who only makes perfect decisions. I think it's funny That a lot of people Can stand behind a president Who makes good and bad decisions.

[17 : 07] And says, I'm for this man But we can't stand behind our God. Who makes only right decisions. Who actually made us. Who died on the cross to save us. We can't stand behind Him And lift Him up And exalt Him. Not only has God reigned.

Not only is He just. But He's involved with us. He says in verse 6, Moses and Aaron among His priests And Samuel among them That call upon His name They called upon the Lord And He answered.

People reached out to God They said, God, hear us. And He answers them. He spake unto them In the cloudy pillar They kept His testimonies And the ordinance that He gave them Thou answerest them O Lord our God Thou wast a God That forgavest them Though Thou took vengeance Of their inventions.

This is our God. We call out to Him And He hears us. He answers us. Our God Isn't just rain Doesn't just rain over the universe.

He doesn't just make perfect decisions. He cares about us. We can reach Him. We can call on His name. And He will answer us. In Romans 10, 13 It says, For whosoever Anybody Whosoever Shall call upon the name of the Lord Shall be saved.

[18 : 27] You realize there's no one on this earth That can't call upon our God. Anybody can. God says that I will hear anyone. Our God said that. We can call on God And we can be saved.

And not only that After we're saved He makes us all kinds of promises. And today Anyone in this room If you're saved And you're born again You can pray to God about anything And He'll hear you. People did What God Asked them to People The verse Verse 8 No, verse 7 He spake unto them In a cloudy pillar They kept His testimonies And the ordinance That He gave them Thou answerest them O God Thou also hast a God That forgave them It's verse saying These people They heard God They heard They knew what He wanted They knew that He was a God That forgives They knew that He's a God That asked for people to repent And to come to Him And to call Him God And when they kept When they kept His testimony When they kept His ordinance When they said Lord, I know I'm a sinner And there's nothing good about me And I need you to save me When they came to Him And did that What was He?

He was a God That forgave them We serve a God That hears us Talks back to us We serve a God That forgives us So today I want to ask you How do we do About worshiping this God I think it's easy To forget to worship God When we forget Who God is So today Just think about God How good He is to us Who He is He is in charge of everything And we get to talk to Him He only makes right decisions And He's involved in our lives He gets to work in our lives And makes the right decisions For our lives That's our God How can we not want to worship This God?

I want to be in Psalms chapter 113 Psalms chapter 113 And really If y'all walked away With one thing From what I have to say today It would be Praise ye the Lord As the psalmist says In Psalm chapter 113 He says Praise ye the Lord Praise O ye servants of the Lord Praise the name of the Lord Blessed be the name of the Lord From this time forth And forevermore From the rising of the sun Unto the going down of the same The Lord's name Is to be praised The Lord is high above all nations And His glory above the heavens Who is like unto the Lord our God Who dwelleth on high Who humbleth Himself To behold the things That are in heaven And in the earth He raiseth up the poor Out of the dust And lifteth up the needy Out of the dunghill That He may set them with princes Even with the princes of His people He maketh the barren woman To keep house And to be a joyful mother of children Praise ye the Lord Right We see in verse number 1 and 2 It says The Lord's name is to be praised and blessed We're to praise and bless the name of the Lord

We have here We're celebrating 11 years As Vision Baptist Church Praise the Lord For so much time This church has done so much For the name of the Lord In those 11 years We've got so many missionaries That y'all sent out We've got so many Training center students Have come through here Thank y'all so much For the things Y'all put up for us Put up with us Training center students I praise the Lord For you Praise the Lord For you I do I praise the Lord That I get to be His servant It says in verse number 1 O ye servants Of the Lord Praise the name Of the Lord I praise God Because I get to be His servant I no longer serve sin I no longer serve the devil I no longer serve my flesh I get to serve God Almighty I get to surrender my members As instruments of righteousness Unto God I have a new master The devil is not my master Sin is not my master My master is God Almighty I get to serve God He has set me free from sin And unto righteousness Praise the Lord I get to be His servant It says that we are to start Praising God

Who is like unto the Lord Who dwelleth on high Who is like our God He has created this wonderful world He has created this beautiful world That we get to live in With the oceans And the trees The mountains The sunrises The sunsets God created it all And He is above it all He is far greater Far more amazing And He deserves far more praise Than I could ever give To anything He created It all goes to Him Because He created it He is above all And He dwells on high And He humbled Himself To behold the things That are in heaven And in the earth God humbled Himself To be a part of your life Praise God because of who He is Praise God for what He does Praise God for what He does He is above all Here He supplies us Our things But He cares for us He sent His Son To live the life on this earth To die on the cross Because without shedding of blood

Is no remission And Jesus Christ When He died on that cross He made a way So that I could become The servant of God So that I could be set free from sin To serve God And be made righteous By Jesus' blood To become a servant of God He sent His Son To do that Because He wants to have A personal relationship With me And He is coming He has taken me Someone who was the poor Out of the dust He took me The needy Out of the dunghill He came down to this earth And He found a dirty rotten sinner By the name of Jensen Rico Looney He reached down Picked him up And said I want a personal relationship With you I love you And I want you To be with me forever And He has sent me With princes He has made me Joint heirs with Jesus Christ And I get to live forever In a wonderful place Called heaven With Him And heaven And heaven just would not be heaven It would not be wonderful If it wasn't for It's where God is I get to live forever

With Him in glory Because He wants a personal relationship With me He has taken me From the sinner I was To becoming His child In glory I get to live with Him forever Praise God Praise God all the time Praise God for what He For who He is And praise God For what He has done For us Praise Ye The Lord God Is Good I want you guys to say it with me now Okay God Is Good A little bit louder this time God Is Good And isn't He Isn't He Amazing Just look at what He's given to us Look at this building Isn't it incredible We have all of this room That needs to be filled up I just remember Me and Robert Used to do children's church In the old building And constantly We were basically ruining The Spanish church For being next door And being too loud Or you guys could hear us down there But now we have our own space Now the bathrooms

There's not only two people Can go at one time We have room There's space here This is an incredible building A beautiful building But even better than this building That God has given us Is the people He's filled it with You guys are incredible So good To the students To pastor To the staff You guys are incredible It's such a blessing To get to work With you guys God is working So much When I heard That vision Gave a million dollars To missions It completely Blew me away I've never met people Who had a greater desire To see the world Reached with the gospel And on Thursday night Here at this building In the old building With foundations The way you train Younger people Just there's so much God is doing Through this building here It is absolutely incredible And you know We should praise Him For that goodness to us You know In Psalm 117 It says Oh praise the Lord All ye nations Praise Him All ye people For His merciful kindness Is great towards us And the truth of the Lord Endures forever

[27:13] Praise ye The Lord And isn't He worthy Of that praise Isn't He good Isn't that kindness Great towards us You know I know you guys know Ben Thomas pretty well He's our missionary to Thailand But he's my cousin And he's really the reason That I'm here In the first place Because his family Had to move down here Because of his dad's work But that was a God thing In itself Because he was supposed To go to D.C.

But God had different plans And brought them here to Atlanta And they found vision Because they looked it up online And it was the first one It was God Every step of the way Bringing them here And you guys worked at him In crazy ways Discipled him Trained him Because you know Me and Ben We did not care about God We were saved But we were living for ourselves We really couldn't care less If God did anything with us We were going to do Whatever we wanted It didn't really matter And so Ben came here And you guys showed him How good God is You showed him How great God's love is And I thought you guys Were crazy I literally used to Ignore Ben's phone calls Because he would call me And I knew He was going to talk About the Bible I knew it And I didn't want it Because you guys Showed him God's goodness But God used him too Because God didn't Give up on me Because God used him To get to me Because a few years later I went to the summit And it was there By God's grace And convincing Trent That I was worth his money Because Trent paid for me And Ben to go That camp Where I committed

To be a missionary That's where I signed The pledge To be a missionary I never would have expected That that was God's plan For my life But God is so good He is good And he works in our lives In crazy ways I wanted to stay home And go to college And most likely What would have happened to me Is what would have happened To everybody else Where I'm from I would have just gone to college Probably done a bunch of drugs And done nothing with my life That's what everybody did Where I'm from That's what they all did But God had bigger plans And now I'm here today A year and a half After I graduated high school I'm married I'm preaching in front of you Here today And I have a son I'm going to have a family That blows my mind Because God is good He's so good He's good to me And he worked in crazy ways Because you know Crazier than that What got me here Is I was considering Living for myself But God gave me a wake up call He saved my sister We all thought she was saved

We all grew up Saying we were saved But we didn't know she wasn't And one day she said Hey you guys I got saved last night in bed I just said God I'm sick of living for myself I'm saved He saved my sister And now she gets to spend Eternity in heaven God works in crazy ways That's my story In a little bit of events What's your story What has God done for you How did you meet your wife If you're married Or your husband How did you get your family What has happened in your life What are some stories That God has given you Because of his goodness Beyond that Beyond his great kindness It says That his truth endures forever That's the truth That's the truth of God's word That's the gospel What makes that such a big deal Why is that such a big deal to us Because that If you're here And you're saved today That's what keeps you From spending eternity in hell Because you know something I think that we forget very often Is that hell is a real place And we deserve to go there You deserve to be there I deserve to be there Eternity in hell In torment

But because of what God did Because of his sending his son To die on the cross for your sins If you believe in him Believe in the resurrection of his son You can go to heaven in eternity That's the truth of his word That's what endures forever That's not going to go away That's not going to pass away It's not going to fail Because you know It's like the apostle Paul said That if Christ died in vain We are above all men most miserable Because you know If Christ's death really was in vain I'm wasting my time Up here preaching to you guys Training to be a missionary Whatever we're doing Telling these stories It's a waste of my time But God's truth is forever It endures forever It's not in vain We know it's not in vain He's given us this promise And we know it's true I know that what we're doing here today This celebration Sunday This region in the community Spanish church was 71 people Reaching this community

[31 : 40] And reaching the world Has a purpose That is what God is doing here That's because his truth Endures forever In the very last part of the verse It completely explains The whole point of it Three times it says it Praise ye the Lord Praise the Lord Because of what he's done for you I want to ask you guys Think Either right now Or when you're leaving home today Just take one moment It's super quick Like what I just did Think God God I can't believe you work How you did for me To meet my Had my family I can't believe you worked The way that you did For me to have this job I can't believe The way you worked To bring me to where I am today Thank you God For what you've done for me Thank you for the way That you've worked in my life That's what it means By praise ye the Lord Thank God Thank him for what he's done for you Thank him for the stories That you have Because of what he's done for you And thank him Because if you're saved here today His truth endures forever And one day Like they were preaching You'll get to spend eternity With him in heaven And that is the truth
