Preacher: Jon Watson

[ 0 : 0 0 ]     The 8th of March, Repentance. Our passage, Colossians 3.3 Your old self is dead. Your new life, which is your real life, is with Christ in God.

We tend to think that repentance is a one-off thing. We repented and believed the gospel, so we are safe in Christ Jesus. And that is gloriously true. However, we very soon come to realize that we struggle and fail every day to live the life that our Lord Jesus Christ wants us to live.

The Bible tells us that our old self is dead. But sadly, we keep looking back at it. And sometimes have a nostalgic longing for the things that find no place in a truly Christian life.

So, as we Christians sin every day, we also need to repent every day. Repentance is the draining routine on the highway of holiness on which God calls us to travel.

It is the way we get beyond what has proved to be dirt, rubbish, and stagnant floodwater in our lives. J.I. Packer A holy, humble, faithful life is what God wants for us as Christians.

[ 1 : 1 2 ]     And He has given us the Bible and the help of the Holy Spirit to get rid of the dirt, rubbish, and stagnant floodwater of unchristian thoughts and actions. God will keep on cleansing us and forgiving us.

It can be a struggle. But our real life in Christ will become more and more apparent as we seek to walk with the Spirit on the highway of God's holiness.

And a prayer. Lord, please help me to really discard the old self. And to relish living in my new, real life in Christ Jesus.

Amen.
